March 2020 Presidential Primary

In 2012 the electors of Oakland County approved a 10-year millage to provide County residents with services from the Detroit Institute of Arts (DIA) through the Oakland County Art Institute Authority.

As a result of the millage, the DIA provides Oakland County residents with free K-12 school field trips including free transportation, free senior group programming with free transportation, and unlimited free general admission. To ensure transparency, the DIA submits to an annual independent audit and posts financial reports online.

To continue to provide revenue to the DIA, which will allow these DIA services for the residents of the County to continue, the Art Institute Authority is permitted by law to seek a renewal of the millage at a rate of no more than the current 0.2 mill (20 cents per \$1,000 taxable value) on all real and personal property in the County. Revenue from this millage will be disbursed to the Art Institute Authority and then transferred to the DIA as permitted by and for the purposes set forth in Public Act 296 of 2010. It is estimated that if approved levied, this millage renewal would generate approximately \$13,600,000 in 2022.

Do you approve the renewal of the 0.2 mill on all taxable property located within the County for a period of 10 years from 2022 through 2031?

Renewal of Oakland County Art Institute Authority Millage

Renewal of Oakland County Art Institute Authority Millage

March 2020 Presidential Primary

This proposal would restore, replace and extend the authority of the Southfield Public Schools to levy up to 18.00 mills for general school district operating purposes on taxable property in the School District to the extent that such property is not exempt from such levy and would restrict the levy on principal residences (owner occupied homes) to no more than 16.9698 mills. If approved, this proposal would restore the authority of the School District to levy the statutory limit of 18.00 mills on non-homestead (principally industrial and commercial real property and residential rental property) which currently expires after the School District's 202 tax levy, and allow the district to continue to levy the statutory limit of 18 mills on non-homestead property in the event of future Headlee rollbacks of up to 2.00 mills. Under existing law the School District would levy on principal residence property only that portion of the mills necessary to allow the School District to receive the full revenue per pupil foundation allowance permitted by the State.

Shall the limitation on the amount of taxes which may be imposed on taxable property in the Southfield Public Schools, County of Oakland, Michigan, be increased to 20.00 mills (\$20.00 per \$1,000 of taxable value), of which not more than 16.9698 mills may be imposed on principal residences, for ten (10) years, the years 2020 to 2029 inclusive, to provide funds for operating expenses on the school district? This millage would raise approximately \$42,309,000 in the first year of levy.
