RE: Comprehensive Master Plan

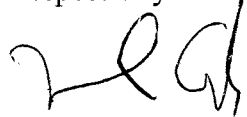

Dear Sirs and Mesdames:

Please join me on Thursday, October 23, 2008, at 6:00 p.m. in the Meeting Room of the Southfield Public Library for the presentation of the draft of the Comprehensive Master Plan. This document is the culmination of two years of work by our consultant, Carter-Burgess. I look forward to an open discussion of the elements contained within the draft Master Plan and consensus regarding production of the final document in order to proceed with the Master Plan approval process.

The next step in the approval process will be for City Council to refer the final Master Plan document to the Planning Commission for public hearing and formal recommendation to City Council. Public hearing and formal adoption of the Master Plan by City Council will complete the process.

If you have any questions prior to the meeting, please feel free to contact me at any time.

Respectfully submitted,

Nicholas G. Banda  
Director of Planning and Economic Development
