

Project Healing Waters at the John D Dingell VAMC

*The Michigan Fly Fishing Club will be here to help veterans to explore recreational interests & develop creativity toward a healthy recovery!
One to one instruction & support in creating fly tie fishing lures.*

10:00AM – 12:00PM in B1290

Project Healing Waters provides fly fishing, fly casting, and fly tying instruction for active duty military, disabled veterans, and veterans in VA hospitals. It emphasizes the skills of fly fishing and fly tying to help veterans regain the use of their bodies, discover new leisure interests, and connect with other veterans and nature.
