- Possession of a valid driver’s license and good driving record; no felony convictions
- Sensory/motor skills necessary to operate equipment.
- Ability to work in a confined area and remain seated for long periods of time.

Position duties also include:

- Update personnel in route by accurately relaying updated information.
- Give over-the-phone assistance and instruction before emergency personnel arrive.
- Ability to take direction, work independently and work as part of a group; must maintain confidentiality
- Synchronize situations/personnel with other communication centers when needed
- Availability for full-time shift work, including nights weekends and holidays; availability for mandatory, unscheduled overtime

In that these positions function within Southfield’s Police/Public Safety Civilian Operations Department, successful applicants will satisfactorily complete an extensive testing procedure. This procedure will consist of the following elements:

- Employment Application; minimum qualifications checked.
- Driving record and criminal history check; applicants will be asked to authorize a police investigation into their driving record and criminal history. The City’s driving standards are included in this application package.
- A performance test which measures various skills applicable to the position.
- A computer test to determine typing skills.
- An oral board interview
- An extensive background investigation.
- A physical examination and a psychological examination (post offer).

Only those applicants who successfully complete each examination element will be considered for advancement to the next level in the selection procedure. Applicants will be invited to participate in the selection process based on the nature and extent of their related experience. Please be aware that this is a thorough and, therefore, lengthy process. Expect that most, if not all, of these tests are administered during normal business hours.
