ARTICLE 1
AGREEMENT

1.1 This agreement was ratified by the City and entered into on March 2, 2009 by and between the City of Southfield, a Michigan municipal corporation, herein referred to as the "City" and the Police Officers Association of Michigan (POAM), a non-profit corporation, herein referred to as the "Union".

ARTICLE 2
RECOGNITION

2.1 Pursuant to the Certification of Representative issued by the Michigan Employment Relations Commission in Case No. R07 A-001, dated February 28 2007, the City recognizes the Union as the exclusive representative of all public safety communication supervisors, excluding all other employees.

ARTICLE 3
PURPOSE

3.1 The purpose of this Agreement is to set forth the parties' agreement with respect to rates of pay, wages, hours of employment and other conditions of employment.

ARTICLE 4
DEFINITIONS

4.1 ASSOCIATION: The Southfield Public Safety Communications Supervisors.

4.2 CITY: The City of Southfield, Oakland County, Michigan.

4.3 EMPLOYEE: A member of the bargaining unit.

4.4 FISCAL YEAR: July 1 through June 30 of any given year.

4.5 LAYOFF: A separation of an employee from the service of the City for lack of work, lack of funds or reasons other than acts or delinquencies of the employee.

4.6 LEAVE OF ABSENCE: Absence from duty upon authorization granted by the department head when requested in writing.

4.7 UNION: The Police Officers Association of Michigan/Southfield Public Safety Communications Supervisors (POAM/SPSCS).

ARTICLE 5
NONDISCRIMINATION

5.1 In the administration of this agreement, neither the City nor the Union shall discriminate against any employee because of that employee's race, color, sex, religion, national origin, age, union membership, height, weight, marital status, or against qualified individuals with a disability, or against other protected classes under state or federal law.
5.2 In the administration of this Agreement, the City and the Union will provide reasonable accommodations to qualified employees with a disability. The need for and extent of such accommodations shall be determined by the City in accordance with its interpretation of the requirements of law, even if such accommodations may be in conflict with another provision of this Agreement. Prior to making an accommodation that would conflict with the provisions of this Agreement, the City will notify the Union of such accommodation and discuss it with the Union upon request. If the Union does not agree to the accommodation the matter shall be submitted to expedited arbitration as agreed upon by the City and the Union or to the American Arbitration Association for expedited arbitration. However a ruling by a court shall have precedence over the contract or an arbitrator's decision interpreting the contract.

ARTICLE 6
MANAGEMENT RESPONSIBILITY

6.1 It is recognized that the government and management of the City, the control of its properties, and the maintenance or order and efficiency are reserved to the City and that all lawful prerogatives of the City shall remain and be solely the City's right and responsibility. Such rights and responsibilities belonging solely to the City are hereby recognized, prominent among which but by no means wholly inclusive are, all rights involving public policy, the right to decide the number and location of facilities, stations, etc., functions to be performed, maintenance and repair, amount of supervision necessary, machinery and equipment, methods, schedule of work, together with the selection, procurement, design, engineering, and the control of equipment and materials, and the right to purchase the service of others, by contract or otherwise, to enter mutual aid pacts with other communities, and expressly reserves the right to the City to establish and maintain rules and regulations governing its operations and employees. It is further recognized that the responsibility of the City for the management of the City, for the selection and direction of the working forces, including the right to hire, suspend or discharge for just cause, assign, promote or transfer, to determine the amount of overtime to be worked, to relieve employees from duty because of lack of work or for other legitimate reasons, is vested exclusively in the City, except as may be otherwise expressly provided in this Agreement. During the term of the contract the City will not transfer work out of the bargaining unit if it would result in the layoff of bargaining unit members.

ARTICLE 7
ASSOCIATION BUSINESS

7.1 Bargaining Committee: The bargaining committee shall be composed of not more than two employee members, one of which shall be the Association President, and not more than one non-employee representative. The function of the Bargaining Committee shall be to negotiate new or modified agreements with the City. The Association shall submit the names of the Bargaining Committee members in writing to the Civilian Operations/Communications Director. One Bargaining Committee representative shall be released from duty on the day of bargaining, which may also necessitate the reassignment of shifts if the representative is assigned to a shift other than the bargaining session times. Association time may be used by the bargaining unit member of the day of bargaining for any additional time necessary before or after actual negotiations.
7.2 Grievance Committee: The Association shall designate in writing one grievance and one alternate grievance representative and forward same to the Civilian Operations/Communications Director. The grievance representative or alternate shall be permitted to investigate and process grievances during scheduled working hours without loss of pay, after receiving approval from the Civilian Operations/Communications Director. This approval shall not be withheld unreasonably. A record of time spent shall be initialed by the representative and retained by the City. Time spent investigating and processing grievances shall not be abused.

7.3 The Association shall accrue one-half hour of compensatory time per week. This time will not accrue above 80 hours. This time shall be used only for Association business by the bargaining representative, grievance representative or president or president’s designate for Michigan Association of Police meetings or events. All time spent on Association business by an employee while scheduled to work shall be charged against the bank except for the released time for the grievance representative and bargaining representative provided above. Time charged to this bank shall be recorded by the employee and submitted to the Civilian Operations/Communications Director. An employee wishing to use time from this bank shall obtain approval from the Civilian Operations/Communications Director at least 24 hours in advance.

ARTICLE 8
BULLETIN BOARDS

8.1 The City shall provide bulletin board space upon which the Union may post notices of general interest to the membership. The City shall also provide space to store files.

ARTICLE 9
AGENCY SHOP

9.1 To the extent that the laws of the State of Michigan permit, it is agreed that any employee who is a member of the bargaining unit, who is not a member of the Union at the time this agreement becomes effective, shall be required as a condition of employment to either become a member of the Union or pay a service fee to the Union which may be equivalent to the Union monthly membership dues.

9.2 Any employee who has failed to either maintain membership in the Union or pay the required service fee for a period of 30 days shall not be retained by the City; provided however, that no employee shall be terminated under this Article unless:

A. The Union has notified the employee by certified letter addressed to his or her last known address, with a copy to the City, indicating he or she has been delinquent for 30 days in payment, specifying the current amount of delinquency and warning the employee that unless the amount is tendered within 15 calendar days of the date of the letter, he or she will be reported to the City for termination from employment as provided herein, and;
B. The Union shall furnish the City with written proof that the foregoing procedure has been followed and shall supply the City with a copy of the notice to the employee. The Union shall further provide the City, after the 15-day's notice, with written demand that the employee be discharged in accordance with this Article and provide to the City an affidavit signed by the Union Treasurer certifying that the amount of delinquency does not exceed the Union monthly membership dues or service fee as provided in this Article.

9.3 The Union shall indemnify and save the City harmless from any liability, including all costs and expenses defending any action, resulting from any and all claims, demands, suits or any other action arising from compliance with this article or in the reliance of any list, notice, certification, authorization or revocation furnished hereunder.

ARTICLE 10
DUES DEDUCTIONS

10.1 The City will deduct from the wages earned during each pay period a specified amount as regular monthly Union dues and/or service fees for each employee for whom the Union furnishes the City a current, signed, written authorization. The Union shall inform the City of the amount of the deduction.

10.2 Changes in the regular amount of dues and/or service fees may be made no more than twice in a 12-month calendar period.

10.3 Previously signed and unrevoked written authorizations shall continue to be effective as to current employees and as to reinstated employees.

10.4 The City will withhold from the pay of employees in any month only the deduction incurred while an employee has been in the employ of the City and only such amounts becoming due and payable in that month.

10.5 All sums deducted shall be remitted to the Treasurer of the Union by the 5th day of the month following the month in which such deductions were made, together with a list of names and the amount deducted for each employee for whom a deduction was made.

10.6 In the event the Union requests that the City deduct monies in excess of the amounts deducted as of the date of execution of this Agreement, such request shall be effective only upon written assurance by the requesting party that the additional amounts have been authorized pursuant to and under the Union’s constitution.

10.7 The City shall not be liable to the Union for the remittance of payment of any sum other than that constituting actual deductions made from the pay earned by the employee. The Union shall indemnify and save the City harmless from any liability, including all costs and expenses defending any action, resulting from any and all claims, demands, suits or any other action arising from compliance with this article or in the reliance of any list, notice, certification, authorization or revocation furnished hereunder.
10.8 The City shall notify the Union of the termination of employment of the dues paying employee. No "Authorization for Deduction of Union Dues and/or Service Fees" forms shall be accepted by the City unless they are forwarded through the office of the Treasurer of the Union.

ARTICLE 11
NO STRIKE OR LOCKOUT

11.1 The Union and the employees recognize that strikes (as defined by Section 1 of PA 336 of 1947, as amended, of Michigan Public Employment Relations Act) are contrary to law and public policy. The City and the Union subscribe to the principle that differences should be resolved by good faith bargaining in keeping with the highest standards of municipal government without interruption of essential governmental services. Accordingly, the Union and employees agree that during the terms of this Agreement they shall not direct, instigate, participate in, encourage or support any strike, sit-down, stay-in, slowdown in any department of the City or any other unlawful activity interfering with the operation of government.

11.2 In the event of a work stoppage, or other curtailment of, or interference with operations, the City shall not negotiate on the merits of the dispute which gave rise to the stoppage or curtailment until the Union has made an earnest effort as set forth in Section 11.3 below.

11.3 In the event of work stoppage, or other curtailment the Union shall immediately instruct the involved employees in writing that their conduct is in violation of the contract, that they may be disciplined up to and including discharge for such conduct, and instruct all such persons to immediately cease the offending conduct.

11.4 No lock-out of employees shall be instituted by the Employer during the term of this Agreement.

ARTICLE 12
GRIEVANCE AND ARBITRATION PROCEDURES

12.1 Definition. A grievance is a dispute between the City and the Union as to the interpretation of the provisions of this Agreement.

12.2 Defenses to grievance procedure by City. The following items shall be defenses to the grievance procedure and may be interposed by the City:

   A. Collective items which would normally be considered as a matter for the collective bargaining process. The intent of this provision is to prevent and stop those items which have been negotiated out, or set forth herewith, from being collaterally attacked either by way of the grievance procedure or otherwise.

   B. Multiple grievances submitted at a single time or step. The intent of this provision is to prevent more than one grievance being submitted to the same
arbitrator at the same time unless mutually agreed upon by the parties. A class grievance (not excluded herein) is a grievance involving more than one member where the facts involved are identical to all those affected and one in which only one member shall act as grievant for all concerned.

C. Incident or other alleged infraction occurring prior to the date of adoption of this Agreement.

D. Grievance not meeting time limits as set forth in the procedure below.

12.3 General Rules. The following general rules shall apply to the grievance procedure:

A. If a grievance is not submitted within 15 calendar days of its occurrence it shall be automatically closed and forever held for naught.

B. Any grievance not submitted in one of the steps of the procedure to the next step within the time limit prescribed shall be considered closed.

C. The time limits may be extended by mutual agreement in writing by the parties.

Step One. (Verbal) - Any employee having a grievance shall first take up the matter with the Civilian Operations/Communications Director who shall render a decision within three business days.

Step Two. (Written) - If the grievance is not resolved at Step One, the Union shall have seven calendar days from the date the response was due to submit the grievance in writing to the Civilian Operations/Communications Director or designee. The written grievance shall contain at least the following information:

A. Section(s) of the Agreement allegedly violated;

B. Name(s), time(s), date(s) and place(s) of alleged violation;

C. Action(s) that allegedly constitute violation(s) and party(ies) involved;

D. Remedy sought to correct alleged violation.

The Civilian Operations/Communications Director or designee shall hold a meeting with the Grievance Representative and the grievant to discuss the grievance within seven calendar days of the submission. The Civilian Operations/Communications Director or designee shall have seven calendar days after the meeting in which to reply, in writing, to the Grievance Representative.

Step Three: If the grievance is not resolved at Step Two, the Grievance Representative or designee shall have seven calendar days from the date the response was due to submit the grievance in writing to the City Administrator or designee. The City Administrator or designee shall hold a meeting with the Grievance Representative within seven calendar days of the submission. The written answer shall be given within seven calendar days of the meeting.
Step Four: If the grievance is not resolved at Step Three, the Union shall have 15 calendar days from the date the response was due from Step Three to file with the Federal Mediation and Conciliation Service (FMCS).

A. The parties may mutually select an arbitrator within such period of time as may be mutually agreed upon in writing. If the Union files an application for arbitration with the FMCS however, an arbitrator shall be selected in accordance with the following procedure:

Each party shall advise the FMCS of its order of preference by numbering each name on the panel and submitting numbered list in writing to the Office of Arbitration Services. The name on the panel that has the lowest accumulated numerical number will be appointed.

B. The power of the arbitrator stems from this agreement and the arbitrator's function is to interpret and apply this agreement and to pass upon alleged violations thereof. The arbitrator shall not have the power to add to, subtract from or modify any of the terms of this Agreement, nor shall the arbitrator have any power or authority to make any decision which shall require the commission of an act prohibited by law or which is violative of the terms of this Agreement. The decision of the arbitrator shall be final and binding upon all parties.

C. Fee of Arbitrator: The fees and expenses of the arbitrator, including all filing fees, shall be borne fully by the losing party, as determined by the arbitrator. An employee involved in a grievance may attend the arbitration hearing without any loss in compensation for time spent during his or her normal tour of duty. If the grievance concerns more than one employee (class action), the Union may select only one employee to attend the hearing as grievant for all.

The City, in its sole discretion, may replace the grievant, and the pay, including any overtime or premium pay shall be paid by the losing party, as determined by the arbitrator.

ARTICLE 13
DISCIPLINE

13.1 Employees shall have the right to representation in cases of interviews with superiors which will or are likely to result in disciplinary action.

13.2 Any disciplinary action or measure imposed upon an employee may be processed as a grievance through the grievance procedure but not through the Administrative Civil Service Rules or Procedures.

13.3 The City shall not discharge or discipline any employee who is not a new-hire-probationary employee without just cause. The employee and the Association President will be notified in writing when a member is disciplined, suspended or is subject to discharge.

13.4 Disciplinary action or measures shall include only the following, although not necessarily in order: oral reprimand, written reprimand, suspension (notice to be given in writing) and discharge.
ARTICLE 14
PERSONNEL FILES

14.1 No record of discipline shall be kept in any employee's personnel file for a period longer than one year from the date of the discipline, except in the case of appeal and only until the disposition of that appeal except that a suspension of three days or more shall be retained for three years.

ARTICLE 15
PROBATIONARY PERIOD

15.1 Each new bargaining unit employee, either by new hire or promotion, shall serve a six-month probationary period. An employee may have his/her probationary period extended by the employer for not more than two consecutive three month periods when, in the sole discretion of the City the employee's performance is not satisfactory.

15.2 The City may discharge or discipline a newly hired probationary employee or demote a promoted probationary employee for any reasons whatsoever except for legal union activities during the employee's probationary period, and any such discharge or discipline shall not be subject to the grievance procedure.

15.3 The Union shall represent probationary employees for the purpose of collective bargaining in respect to wages, hours, and other conditions of employment except as specified in Section 2 above.

15.4 An employee who is promoted into this unit who does not pass his/her probationary period may be reverted back to his/her former position without loss of seniority. During this period, the promoted employee may also revert back to his/her former position at his/her request. This section shall be contingent upon the collective bargaining unit covering the employee's former position accepting the employee's return and/or seniority rights.

15.5 Newly hired probationary employees shall accrue vacation leave and sick leave as provided in this Agreement but shall not be eligible to use such leave until after successfully completing the probationary period. If a newly hired probationary employee is not confirmed as a regular employee, he/she shall not be paid for vacation or sick leave accrued during the probationary period. Promoted probationary employees shall accrue vacation and sick leave at their current City seniority rates and shall be eligible to utilize such time if it does not interfere with their training schedule.

ARTICLE 16
SENIORITY

16.1 Seniority Date.

A. An employee's City seniority date shall be based on the length of continuous service after the date of regular appointment to a position in the City service, except that:
1. Non-career or other types of employment with the City wherein benefits are not received shall not count toward seniority. An employee transferring from regular part-time employment shall receive credits toward seniority at a rate of 50 percent for the period of regular, part-time employment.

2. Where two or more persons are appointed on the same date, relative seniority shall be determined by the relative standing on the employment list from which certified. However, in all cases of identical seniority date, persons entitled to preference under the Veteran's Preference Act shall be considered as having greater seniority than those without such preference. Any ties occurring beyond the above provisions shall be decided by lot.

B. An employee's bargaining unit seniority shall be based on the length of continuous service after the employee's most recent starting date of employment within the bargaining unit described in Article 2.

1. Where two or more persons are appointed on the same date, relative seniority shall be determined by the relative standing on the employment list from which certified. Any ties occurring beyond the above provisions shall be decided by lot.

C. Where the term seniority is used without qualification, both City and bargaining unit seniority are intended.

16.2 Seniority List.

A. The seniority list on the date of this Agreement will show the names and job titles of all employees of the unit entitled to seniority.

B. The City will keep the seniority list up to date at all times and will provide the Local Association President with up-to-date copies as required.

C. Seniority lists shall be posted on bulletin boards described in Article 8 the first week of March each year. All employees, including those absent from work for any reason, shall be presumed to be knowledgeable of their content. If no grievance(s) is filed by April 15th, the seniority lists shall be deemed correct.

16.3 Effect of Leaves of Absence and Suspensions. Employees off duty for personal reasons, on unpaid leave of absence for more than ten working days, or employees suspended for 30 days or more for cause shall have such periods deducted from seniority.

16.4 Effect of Layoff. Time elapsed between periods of layoff and re-employment shall be deducted from seniority.
16.5 Leaves not Breaking Seniority. The following shall not be considered as breaks in service:

A. Military leave during the time of war as defined in the Veteran's Preference Act.

B. Absence from work due to injuries compensated for under Workman's Compensation Act.

C. Approved educational leave as specified in Section 40.2.

16.6 Loss of Seniority. An employee shall lose his seniority for the following reasons only:

A. Quits or retires.

B. If discharged for just cause and not reinstated. If the employee is reinstated, seniority shall be as determined by the conditions of reinstatement.

C. If he/she is absent for three consecutive work days without notifying the City, unless lack of notice is a result of physical impossibility.

D. If he/she is absent for three consecutive work days without justifiable reason.

E. Gives a false reason to obtain a leave, or if he/she fails to return to work upon termination of any leave of absence without a bona fide excuse acceptable to the City.

F. If he/she is laid off for a period equal to his/her seniority at the time of layoff.

G. Separation upon settlement covering total disability.

H. Leaves the bargaining unit as set forth in Section 16.7 below.

16.7 Bargaining unit members who voluntarily accept employment with the City of Southfield outside of the bargaining unit are eligible for return to the bargaining unit at a later date according to the following:

A. Eligibility for return is limited to that period of time while the employee is on probation in their new position, provided that employment with the City is continuous and unbroken. In any event, eligibility for return ceases 12 months from the date of promotion or movement out of the bargaining unit.

B. Eligibility for return also ceases:

1. In the event of discharge which is not reversed.

2. In the event the employee requests and received an unpaid leave of absence while on probation in the new bargaining or employee unit except a Family and Medical Leave Act leave.
C. Bargaining unit members eligible for return to the bargaining unit will be returned even though this might result in the layoff of another bargaining unit member.

D. City seniority shall continue during probation in the new position. Bargaining unit seniority shall not accrue while in the new position although employees will retain that bargaining unit seniority which they had acquired as of the date they left the bargaining unit.

**ARTICLE 17**  
**LAYOFF AND RECALL**

17.1 Should the City determine to layoff an employee, it shall layoff the employee in the unit with the least amount of seniority determined by adding public-safety-supervisor-unit seniority and public-safety-technician-unit seniority. Employees shall be called in the inverse order of their layoff.

17.2 The Association President shall have "super-seniority" and be the last person in the unit to be laid off regardless of his/her public safety department seniority.

17.3 In the event of an opening for a public safety technician position during the lay-off period, the laid-off member(s) shall be placed at the top of any existing hiring list and be offered the position prior to the hiring of anyone else on the list. If no hiring list exists, the member shall be offered the position prior to a new testing procedure/list establishment process.

**ARTICLE 18**  
**SHIFT TRANSFERS AND ASSIGNMENTS**

18.1 A transfer of shifts, if any, shall take place semiannually on November 1st and May 1st. An employee desiring a transfer of shifts shall file a request 30 calendar days prior to said dates. Probationary employees, including employees promoting from public safety technicians may be assigned to the day shift prior to the general shift selection. Shift selections shall be by bargaining unit seniority unless there is an operational or performance business reason (monitoring new employees, monitoring employees under disciplinary review) for temporarily assigning an employee to a particular shift for a maximum of three months.

18.2 All vacancies in shifts which occur outside of the semiannual shift selection shall be filled in the same manner as the semiannual transfer of shifts.

**ARTICLE 19**  
**OVERTIME**

19.1 Employees shall be paid at a time-and-one half rate for all hours worked over 40 in one week and on a 6th consecutive working day and paid a double-time rate for all hours worked over 40 in a week on a 7th working day. Employees shall also be paid at a time-and-one-half rate for hours over eight in one day.
19.2 Employees who work overtime shall be paid overtime in multiples of 1/10 of an hour for each six minutes worked.

19.3 Accrued time off allowed or time granted for sick leave or vacation leave shall be counted as hours worked for purposes of overtime computation.

19.4 Employees required to standby during non-duty hours shall be paid 1.33 hours at the time-and-one-half rate (equal to 2 hours at the straight time rate).

19.5 Employees called in to work outside of their regular work hours shall receive a minimum of two hours pay at the overtime rate unless the call-in occurs within two hours of the start of their regular work shift.

19.6 For each period of time for which an employee is entitled to pay by this Agreement, the employee shall be paid in accordance with that pay provision which entitles the employee to the greatest pay but the employee shall not be entitled to pay by any other pay provision. Time for which an employee is paid according to the preceding sentence at a premium or overtime rate shall not be counted to enable the employee to receive compensation according to any other pay provision.

**ARTICLE 20**
**COMPENSATORY TIME**

20.1 Compensatory time (straight and time and one half) may be accumulated up to 80 hours. Compensatory time accrued in excess of 80 hours shall be converted to pay each pay period.

20.2 Use of compensatory time which would require overtime coverage will be allowed for good cause.

**ARTICLE 21**
**REPORTING TIME**

21.1 Employees shall be required to report six minutes prior to the start of the shift and shall be paid at a rate of time and one half for the six minutes. The parties agree that this payment is complete compensation for overtime arising from the reporting procedures for the relieving employee and the employee being relieved but not for additional time required for other duties extending the shift.

**ARTICLE 22**
**SHIFT DIFFERENTIAL**

22.1 Effective July 1, 1993, an employee who is required to work a regular afternoon or night shift shall be paid a shift premium as follows: $0.22 for the afternoon shift; $0.28 for the night shift. SICK LEAVE

34.1 Sick Leave (Regular). Sick leave shall not be considered a privilege which an employee may use at the employee's discretion, but shall be allowed only in cases of actual sickness or disability. Sick leave shall not be taken for medical appointments if, except for the medical appointment, the employee is able to report for work. An employee shall accrue sick leave at the rate of 1 working day per month or 12 days per year; such sick leave shall not accrue while an employee receives sick leave benefits or Worker's Compensation payments. Such sick leave shall continue to accrue only for the balance of the calendar month during which such employee begins to receive sick leave benefits or Worker's Compensation payments.

Effective January 14, 2002 regular sick leave may be used for leaves granted pursuant to the Family Medical Leave Act (FMLA) to care for a seriously ill spouse, child or parent.

The use of regular sick leave may also be permitted with the approval of the department head to care for a spouse, child or parent in circumstances which do not qualify for leave under the FMLA. This use is limited to one day per occurrence of an illness unless the department head approves a second day. The use of more than two days per occurrence is permitted only when the employee is the only available caregiver.

Reserve sick leave may not be used for leave under this section.

The employee must be prepared to furnish proof, including a physician's statement if requested, of the reasons for his/her absence. The City reserves the right to request such certification in order to determine the validity of absence under this
section. If adequate medical certification is not made available or does not substantiate
evidence of illness justifying the use of sick leave, such information may be grounds for
discipline up to and including dismissal.

34.2 The amount of time allowed an employee for sick leave shall, if not used during
the year earned, be accumulated until a total of 150 days is reached, and shall be kept
for future sick leave with pay.

34.3 An employee with less than one full year of City service prior to January 1st may
be allowed sick leave in the proportion that the employee's actual service bears to a full
year of service, i.e., one day per month. The employee may not use this partial sick
leave, however, until completing probation. Upon request of the employee and with
approval of the Department Head, an employee may be given sick leave for a period of
less than a full day. Sick leave may be granted in minimum increments of one hour.

34.4 Any employee with less than five years continuous service or less than 400 hours
accumulated sick leave, and who takes no more than two days of sick leave in any year
shall have two days returned to the employee's sick bank.

34.5 Any employee with more than five years continuous service and more than 400
hours accumulated sick leave, who takes no more than two days of sick leave in any
year shall receive full pay for the two days at normal rate of pay.

34.6 Employees who have accumulated the maximum allowable regular sick leave
(150 days) and who use no sick leave and who have no other unpaid absence for the
one-year period covered by Section 1 shall receive a perfect attendance recognition
payment of $250.00. This payment shall be paid at the same time as the sick leave
bonus.

34.7 Sick leave shall be considered for all purposes as continuing service; however, in
the event of resignation or discharge, all accumulated or unused sick leave shall be
cancelled, and not paid, with exception of retirement. Upon the death of an employee,
the employee's designated beneficiary shall be entitled to payment for one-half the
amount of deceased employee's unused sick leave.

34.8 Any employee who becomes ill and unable to report for work must notify the on-
duty supervisor or the department head at least one hour prior to the start of the
scheduled shift on the first day of absence, and each day thereafter if the employee is
not hospitalized, or the absence may not be chargeable against sick leave.

34.9 An examination certificate from the City Physician or other reputable physician
may be required as evidence of illness before compensation for the illness period is
allowed. The City reserves the right to request such examination of any employee in
order to determine validity of absence due to illness, with sick leave compensation
provided in accordance with the physician's report. Should the physician's report
indicate that the employee's request for sick leave was not justified, such information
may be grounds for dismissal.

34.10 When an employee receives the last check for illness or disability, not including
any payment made under the long term disability program, the employee will be placed
on leave without pay for one year, except that any employee so placed on leave without
pay as a result of having exhausted sick leave due to illness or disability who has a
minimum of ten years of continuous service with the City shall retain hospitalization and
life insurance benefits for the duration of such leave (not to exceed one year) the cost of which shall be borne by the City; provided, however, that said employee is not physically able to perform other duties with the City as may be determined by the City; and, further, that said employee is not gainfully employed elsewhere. If, at the end of that time, the employee is still unable to return to work, employment shall be terminated. The employee shall be eligible for re-employment, provided the employee has a doctor's statement to the effect that the employee is able to discharge the employee's required duties; and provided further that a position is available. Employees injured during other gainful employment outside the City shall not be eligible for sick or disability benefits.

34.11 An employee shall have to his or her credit unused sick leave and vacation leave when transferred to another department, except in the case where the employee transfers to a position covered by a police or fire department contract. In the case of a transfer to a position covered by a fire department contract, vacation shall be paid off and accrued sick leave shall be cancelled. In the case of a transfer to a position covered by a police contract, vacation shall be paid off and accrued sick leave shall be cancelled except that up to 240 hours of accrued reserve sick leave shall remain to the employee’s credit.

34.12 Reserve Sick Leave. A reserve sick leave bank is established with accumulation at the rate of ½ day per month, with a maximum accumulation of 60 days. Use of days in the reserve sick leave bank shall be for continuous illness only, and only after the expiration of the employee’s own regular sick leave. Reserve sick leave bank accumulation is not subject to pay provisions under any conditions except usage.

34.13 Continuous illness shall be defined for purposes of this Article as hospitalized illness or an illness extending for a period of at least 30 days.

34.14 An employee who is eligible to retire may utilize accumulated sick leave banks in the following manner:

   A. An employee who is eligible for a normal retirement benefit may be paid in a lump sum for all accumulated hours of regular sick leave standing to his/her credit as of the effective retirement date, up to a maximum of 320 hours.

   B. An employee who is eligible for an early retirement benefit may be paid in a lump sum for all accumulated hours of regular sick leave standing to his/her credit as of the effective retirement date, up to a maximum of 160 hours.

   C. An employee who terminates employment and is eligible for a vested deferred pension is not eligible for any payment of sick leave banks as provided above.
ARTICLE 35
SICK BANK POOL

35.1 In the event that a bargaining unit member has exhausted his/her regular sick bank and reserve sick bank, and would otherwise continue on sick leave without any compensation, bargaining unit members on an individual basis may elect to donate to that employee, any time accrued in their vacation banks. At such time that the employee with the exhausted bank approaches that point, the Association shall be notified and shall poll its members and respond to the City within seven days as to any amounts of vacation time to be donated. Each employee so donating shall confirm the amount in writing to the City. If the employee on sick leave returns to work prior to using all the donated time, such time shall be returned to donors on a pro rata basis. In the event that the donated time is exhausted prior to return to work, the procedure for donation may be repeated at the option of the Association.

ARTICLE 36

A. There is a six-month continuous waiting period for eligibility;

C. All banked leave must be used prior to use of any long-term disability credits;

D. Each day of credit in the long-term disability bank entitles the employee to one day of leave at 50 percent of base salary, less any payments received by the employee via social security, pension, Worker's Compensation or other type of program or insurance;

E. The long-term disability credits are intended only for use by the employee and are not subject to any payoff upon resignation, retirement, or any circumstances other than illness or disability of the employee; and

F. Employees receiving long-term disability benefits shall be considered as on a leave of absence without pay.

ARTICLE 37
MATERNITY LEAVE

37.1 Maternity related absences shall be treated as a non-duty related disability for purposes of use of leaves and benefits as provided elsewhere in this Agreement.
ARTICLE 38
DUTY DISABILITY LEAVE

38.1 In order to be eligible for duty disability leave an employee shall immediately report any injury, however minor, to his immediate supervisor and take such first aid treatment as may be recommended, or waive such first aid in writing.

38.2 Career or probationary employees who are unable to work as a result of an injury sustained through the course of employment with the City shall receive duty disability pay as follows:

A. First seven calendar days - The City will pay the employee's regular pay during the first week of disability. The employee's sick leave will not be charged for this time; the time shall be charged to duty disability leave which is limited to the first seven calendar days for each occurrence.

B. After seven calendar days - The employee shall receive payment established under the regulations of the Worker's Compensation Act; in such cases the following shall apply:

1. All disability compensation checks will be made payable to the employee, but they will be delivered to the City Accounting office, endorsed by the employee.

2. If the employee has sufficient accrued sick leave, the employee will receive a payroll check for the difference between the Worker's Compensation check and the employee's normal bi-weekly payroll check.

3. In the event the employee has no accrued sick leave, the Worker's Compensation check will be mailed directly to the employee, who will receive no other form of compensation.

4. The City, through a combination of Worker's Compensation payments and City payments, will guarantee a minimum of 85 percent of the basic 40-hour weekly wage (or portion thereof). Said guarantee of payment to 85 percent shall be limited to a maximum of 13 weeks for each such disability in any 12 consecutive months.

5. During the first 13 weeks of disability wherein the provisions of No.4 above apply, accumulated sick leave or vacation leave will be charged at the rate of the balance 15 percent for full pay. At the end of the 13 weeks, sick leave or vacation leave will be charged on a daily basis proportionately between full pay and Worker's Compensation payments to provide full pay until all such benefits have been exhausted.

C. After 14 days continuous absence - Worker's Compensation will reimburse the employee at the standard Worker's Compensation rate for the first week's absence previously paid by the City. The employee shall endorse the check to the City, which in turn shall credit said check to the proper fund of the City of Southfield.
38.3 No employee shall be entitled to duty disability pay for absence due to injuries if said injuries were received when not on duty with the City.

ARTICLE 39
LEAVES OF ABSENCE WITHOUT PAY

39.1 The department head may grant a leave of absence without pay. A leave of absence without pay may be requested for any legitimate purpose and should be requested well in advance. However, if the leave is considered detrimental to the best interest of the City, permission shall not be granted. Leaves of absence without pay may not be granted in lieu of other valid leaves when they are available to the employee. Exception to this rule may be granted only upon specific approval of the department head. Leaves of absence without pay may not exceed one year in duration, however, at the discretion of the department head, they may be renewed, provided the request is submitted not less than 30 days prior to the expiration date of the leave.

39.2 The department head must approve or disapprove request for leave of absence and indicate whether the position will be open. If the position is not open upon completion or prior to completion of the leave of absence, and the employee applied for reinstatement within the leave time granted, the employee's name will be placed on the top of an eligible list for consideration in a position in the public safety supervisor classification. If an eligibility list does not exist, the employee's name will be placed on the top of the eligible list for the public safety technician. The appointing authority will be entitled to a list of the top three eligible in order to complete the selection process. Probationary status may be required by the department head. An employee who applies for reinstatement will remain on the top of the eligibility list for a period of nine months. If after that time the employee is not hired, and is still interested in reinstatement, the employee would have to be retested to obtain a rank on the eligibility list.

39.3 Leaves of absence granted by the department head up to ten days in duration are not subject to deduction from seniority. Any ten-day leave developing into a longer period of leave without pay shall become a part of the longer leave of absence. Employees granted a leave of absence for a period over two weeks (ten working days) shall not accrue vacation or sick leave.

39.4 Employees on a Leave of Absence Without Pay shall not receive any compensation for holidays occurring during said leave and all City-paid benefits and accrual of leaves shall cease immediately upon expiration of all earned leave time (and/or removal from the current payroll). The employee may upon written request and upon written approval of the Human Resources Director elect to continue in all or part of the paid insurance programs at his/her own expense. Upon electing to continue such coverage, said employee must make full payment in advance for participating in insurance programs.
39.5 The above provisions do not apply to leaves taken under the FMLA, which leaves are governed by the provisions of the FMLA, and the City policies and procedures for FMLA, including but not limited to the City’s policy of the option to send an employee returning from a FMLA controlled leave to a medical practitioner of the City’s choice at the City’s expense to determine ability to return to work.

39.6 MILITARY LEAVE: Any employee who has served three months, but less than one year with the City, and enters military service shall be allowed vacation time at the rate of 6.667 hours per month, with a maximum not to exceed ten days, paid to him at the time he leaves the City to enter military service. Vacation and sick leave time shall not accrue during periods of military leave. However, upon reinstatement, for the purpose of determining any vacation time the years of service with the City shall be the total of years employment plus years, or fraction thereof, of required military service.

An employee who is inducted or enlists in the armed forces of the United States for training or service shall be granted leave of absence without pay for the required duration for such service and for a period of 90 calendar days following the period of actual service. Upon the termination of such service or at any time during the 90-day period provided following such service the employee shall have the right to return to the former position provided it exists and the employee is still otherwise qualified. At the time of application for reinstatement, the application must be accompanied by the certificate and medical statement provided for the Selective Training and Service Act of 1939 and S.A. Res. 286. Upon reinstatement, the employee shall be returned to the step comparable to that held before leaving.

In the event employee's former position is not available or employee is no longer physically qualified for his former position and is able to satisfactorily perform duties of another position, every effort shall be made to place such employee in another position.

Employees belonging to the National Guard, Service Reserves or other such units are permitted to take leaves of absence without pay during the annual training period; this leave is not to exceed two weeks per calendar year. Vacation privileges are not affected by such leaves. However, an individual who receives military training leave will automatically be considered last when the schedule for vacation leave is determined.

The maximum reimbursement will be $2,500 per fiscal year (July 1 to June 30) for full-time career employees; in no case shall the reimbursement exceed the actual cost to the employee. Further, the City will reimburse full time career employees an additional seventy-five percent (75%) of the actual cost for books each term in which the employee is entitled to tuition reimbursement.
These payments are all subject to the following conditions:

1. Course work must be taken at or under the direction of an accredited institution.

6. An application for tuition reimbursement, along with receipts for tuition and books as well as the final course grade are submitted to the Human Resources Department within thirty (30) days of completing the course. Failure to submit a timely and complete reimbursement application will forfeit the employee's right to such payment.

7. In applying for and receiving tuition reimbursement benefits (including books and fees) under this Section, employees must agree to refund the City for any tuition benefits which are received in the one-year period prior to their resignation, retirement (regular or early), or discharge for cause. Employees receiving a duty disability or on a medical leave of absence will not be required to refund tuition benefits.

40.2 Educational Leaves of Absence. Upon request, an employee with written approval from the Department Head may be granted a Leave of Absence not to exceed 12 months for the purpose of pursuing formal education. Said leave must be for attendance at an accredited institution and shall be without pay or benefits during the period of leave (continuation of group insurance benefits to be at employee's expense). If granting of said educational leave is deemed by the City to be in the best interest of the City, the City may approve said educational leave request.
ARTICLE 41
TRAINING

41.1 If the City requires an employee to attend training which does not entail an overnight stay, the employee shall be compensated as follows:

A. For annual LEIN update training the employee shall receive regular pay for the day. The employee shall not be required to report to work after the training. There shall not be additional compensation for expenses other than parking or for training and travel which extends beyond the normal work day.

B. In-service training: If an employee is required to report for training outside of the employee's schedule, the overtime provisions of the contract shall apply.

C. For all other required training:

1. If the training occurs on a scheduled work day:
   a.) If the time spent traveling and training does not exceed seven hours, the employee may be required to return to work for the balance of the eight hour work day.
   b.) If the time spent traveling and training exceeds eight hours, the employee shall receive compensatory time at a time and one half rate for the time in excess of eight hours.

2. If training occurs on a scheduled leave day:
   a.) The employer may, with seven days notice, schedule the employee an adjusted leave day and make the training day a scheduled work day and Section 1 above shall apply. If an adjusted leave day is not scheduled, the employee shall receive compensatory time at a time and one half rate for the time spent in traveling and training.

41.2 If the City requires an employee to attend training outside of the City which requires an overnight stay, the travel and training time and related expenses will be handled according to the City policy then in effect.

ARTICLE 42
LIFE INSURANCE

42.1 The City will provide group term life insurance with accidental death and dismemberment rider for each employee beginning with the date of hire.
42.2 Each employee shall be entitled to life insurance of $50,000. Such coverage will cease when an employee is retired, laid-off, on leave of absence, or terminated for any reason.

ARTICLE 43
HOSPITALIZATION AND MEDICAL INSURANCE

43.1 Hospitalization Insurance. The City will provide group hospitalization insurance consisting of coverage equivalent to Michigan Blue Cross/Blue Shield MVF-I, with master medical III and prescription rider for the employee and dependents, plus riders FAE-RC, ML, PPNV 1, RM, and RPS. Effective 7/1/95, the prescription rider shall be Preferred Rx with PD MAC, $2 co-pay. (Except for Preferred Rx with PD MAC, this is the hospitalization insurance in effect for ACS employees on November 21, 1994.)

Effective for active employees and future retirees as soon as can be effected by the carrier for Blue Cross/Blue Shield Traditional:

   a) Increase Blue Cross/Blue Shield annual Master Medical deductible from $50 per person to $100 per person and from $100 per family to $200 per family.
   b) Increase Prescription Drug co-pay from $2 per prescription to $3 per prescription.

Effective as soon as practical after September 13, 2004, increase the prescription drug co-pay to $5 for generic drugs and $10 for brand drugs for all health insurance providers for active employees and future retirees. The $10 co-pay applies to brand drugs whether or not there is a generic equivalent.

The Prescription Drug Co-Pay for all plans for active employees and individuals who retire after 6/30/05 shall be $10 generic and $20 brand (whether or not there is a generic equivalent). For participants in an HMO, where there is a generic equivalent, and the employee instead takes the brand drug, the employee may be required according to HMO rules to pay the difference between the brand drug and the generic equivalent, in addition to the $20 charge for the brand drug.

43.2 Health Insurance Options. Each employee shall be afforded the opportunity to participate in the City’s open enrollment for health insurance providers when such open enrollment is held by the City. The City has given notice that as alternatives to the health insurance specified in the contract it will offer only Community Blue and an HMO.

43.3 The coverage for 43.1 and 43.2 will commence on the first of the month following the initial hire date with the City and will cease when an employee is laid-off, on leave of absence other than FMLA, or terminated for any other reason. In the case of retirement, it will cease unless the employee elects to continue coverage as stated in Article 44.
43.4 Dental Insurance. The City will provide group dental insurance for the employee and dependents. Such coverage will commence the date of hire and will cease when an employee is retired, laid-off, on leave of absence other than FMLA, or terminated for any reason.

Effective as soon as it is practical after January 14, 2002 (It is anticipated to be not less than 60 days.), the dental insurance shall be as summarized in the attached Addendum.

43.5 Optical Insurance. The City will provide group optical insurance for the employee and dependents. Such coverage will commence the date of hire and will cease when an employee is retired, laid-off, on leave of absence other than FMLA, or terminated for any reason. Optical insurance shall be as summarized in the attached Addendum.

43.6 Couples Insurance. For active employees and future retirees, in the case of married couples where both spouses work for the City, or both spouses are retired from the City, or one spouse works for the City and one spouse is retired from the City, only one spouse will be eligible for a health insurance policy, dental policy and optical policy and may include the other spouse and dependents if eligible. A spouse who is an employee and who is covered under his or her spouse’s policy will be eligible for an annual payment equal to $1300 for employees with 2 person coverage and $1600 for employees with family coverage, payable on a biweekly basis. This payment is not available to retirees.

43.7 The provisions of 43.7 apply to:

Employees who are transferred or promoted into this bargaining unit from another SERS-eligible bargaining unit or employee group and who were subject to these provisions while members of that bargaining unit or employee group; and

Employees hired after the ratification of this agreement by both parties or transferred into this bargaining unit from a non-SERS bargaining unit or employee group after the ratification of this agreement by both parties [March 2, 2009].

1. The City gives notice that as alternatives to the health insurance specified in the contract it will offer only Community Blue PPO.

2. Employees shall pay the following percent of base pay for medical, dental and optical coverage: 1 person, 2.0%; 2 person, 4.0%; family, 5.0%. If the employee opts out of medical insurance, but desires to have dental and/or optical insurance, the employee shall pay a prorated percent of base pay calculated by dividing the dental and/or optical insurance premium by the Traditional Blue Cross medical insurance premium and rounding to the tenth of a percent.

ARTICLE 44
RETIREMENT

44.1 The retirement program shall be as set forth in Ordinance No. 1491, enacted February 24, 2003, and in Ordinance No. 1491 “nonunion member” or “non-union member” shall include members of SPSCS except where this agreement specifies a different provision.

For employees who retire after September 13, 2004 the pension multiplier shall be 2.5%.

44.2 Effective 7/1/95, the employee's contribution to the pension fund shall cease.
44.3 Retirants electing Option A shall have the option of electing a "pop-up" option with the reduction in the regular pension required to make this option cost-neutral.

44.4 In calculating final average compensation the meaning of compensation shall be as set forth below:

Compensation” shall mean the salary or wages paid an Employee for personal services rendered to the Employer including (a) vacation and holiday pay, (b) sick leave pay while absent from work, (c) longevity pay, (d) items of deferred compensation as provided by the City, and (e) items of a similar nature as provided by administrative rule and regulation. Compensation for purposes of retirement shall not include (a) remuneration for overtime services, (b) allowances for clothing, equipment, travel and similar items, (c) reimbursement for expense incurred, (d) payment in consideration of unused sick leave accumulations, (e) salary, wages or other items which are the basis of benefits under another retirement program, excluding F.I.C.A., and (f) items of a similar nature as provided by administrative rule and regulation.

Payments for unused vacation leave accumulations shall be included in calculating a member’s final average compensation. For any year used in calculating final average compensation, the amount of payment for unused vacation leave which is used shall not exceed the amount of payment for twice the member’s vacation accrual for the year.”

44.5 Effective January 14, 2002, in addition to the current eligibility conditions, members may retire with an unreduced regular pension when the member’s age plus service totals 82. Fractional parts of age and service may be used in the calculation. The total must be equal to or greater than 82 without rounding.

44.6 The provisions of 44.6 are applicable to:

Employees who are transferred or promoted into this bargaining unit from another SERS-eligible bargaining unit or employee group and who were subject to these provisions while members of that bargaining unit or employee group; and

Employees hired after the ratification of this agreement by both parties or transferred into this bargaining unit from a non-SERS bargaining unit or employee group after the ratification of this agreement by both parties [March 2, 2009].

Such employees shall be subject to the following pension plan modifications:

A. Regular retirement eligibility: age 65 with 10 years of service, age 62 with 20 years of service, age 57 with 25 years of service

B. Benefit multiplier: 2.0%

C. FAC: highest 5 consecutive years of last 10 years, include a maximum of 100 hours of vacation paid at retirement

D. Benefit cap: 70% of FAC
E. **Employee contribution: 3% of pensionable wages, payable as a salary reduction on a pretax basis under IRS Section 414 (h). These contributions will not be refunded at retirement**

44.7 Employees who retire on or after September 13, 2004 and their eligible spouses or eligible surviving spouses will be eligible to receive medical insurance from the City according to the following conditions:

A. In order to be eligible to participate in the City-provided retiree health insurance, the employee and eligible spouse (if the employee elects coverage for the spouse) must participate continuously from the time the employee begins receiving a pension. Retirees or spouses who terminate their participation will lose their eligibility to participate again. This Subsection A does not apply to the possible interruption in City-provided retiree health insurance set forth in Subsection F below.

B. The retiree’s share of the premium for medical insurance shall be $10 per month for the retiree and $20 per month for the retiree and spouse.

C. When the retiree or covered spouse becomes eligible for Medicare, Medicare A & B must be applied for. Upon receipt of Medicare coverage, the City-provided insurance will change to Medicare supplemental insurance. The Medicare recipient shall be responsible for the Medicare premium. The Medicare premium is not a factor in determining the retiree’s share of the premium for City-provided health insurance.

D. An eligible spouse or surviving spouse is one to whom the member was legally married at the time of retirement. If an employee does not elect a survivorship option for pension, a surviving spouse is not eligible for medical insurance coverage under the City’s policy after the retiree’s death. Coverage for a spouse terminates upon divorce.

E. This benefit is not paid for individuals who terminate service prior to vesting or who withdraw their contributions from the retirement system. This benefit is not paid to individuals whose employment terminated or who retired prior to 9/13/04.

F. The City-paid health insurance shall terminate in the case of a retiree and surviving spouse, if that individual assumes employment elsewhere and that employer provides health coverage to its employees which does not substantially differ from that offered by the City; provided that should the individual lose such coverage from the other employer for any reason, including voluntary or involuntary separation of employment, upon production of proof of such loss to the City and satisfaction of continuing eligibility, the City’s obligation to provide health coverage shall recommence and the individual shall be re-enrolled with coverage becoming effective the 1st of the month following re-enrollment.
G. The benefits of this Section are not vested. The employee shall be eligible
for retiree health insurance coverage according to the conditions in effect on the
date the employee retired or on the date the employee terminated service with a
vested pension. Eligible employees who terminate service with a vested pension
will be eligible for retiree health insurance coverage when they begin to receive
their pension. The health insurance plans available to retired employee through
the City shall be as determined by the City.

H. Except as otherwise provided in this collective bargaining agreement,
participation in City-paid retiree health insurance shall be subject to the
conditions set forth in the Code of the City of Southfield in the Chapter
designated Retiree Health Care Benefits Plan and Trust.

44.8 Employees who retire after September 13, 2004 may elect to participate in the
City’s optical and/or dental insurance plan by authorizing the City to deduct the
appropriate premium amount from the retiree’s pension check. This election can be
made within one year after the date of retirement, or at a later date if the retiree can
furnish proof of coverage from another source from one year after the date of retirement
until the date of application for optical, dental or both. Retirees who terminate their
participation shall be barred from participation at any future date. Once the election has
been made, coverage will be made available as soon as practical. It is understood that
the retiree will bear the full premium cost including any and all future increases.

44.9 Effective July 1, 2007, employees shall make a 1% contribution, post tax, to the
RHC (VEBA). Effective July 1, 2008, employees shall make an additional 1%
contribution, post tax, to the RHC (VEBA).

44.10 The provisions of 44.10 are effective for:

Employees who are transferred or promoted into this bargaining unit from another
SERS-eligible bargaining unit or employee group and who were subject to these
provisions while members of that bargaining unit or employee group; and

Employees hired after the ratification of this agreement by both parties or transferred
into this bargaining unit from a non-SERS bargaining unit or employee group after the
ratification of this agreement by both parties [March 2, 2009].

Such employees shall be subject to the following eligibility requirements and premium
copays for retiree health insurance:

0-14 years of service: No insurance offered
15-24 years of service: retiree pays 50% of premium; City pays 50% of premium
25 or more years: retiree pays 20% of premium; City pays 80% of premium.
ARTICLE 45
COPIES OF CONTRACT

45.1 The collective bargaining agreement between the parties hereto shall be reduced to a written document, and the City shall pay the cost of reproducing one copy of the collective bargaining agreement for each member of the bargaining unit.

SOUTHFIELD PUBLIC SAFETY COMMUNICATIONS SUPERVISORS

APPENDIX A

Employees who are Southfield residents as of January 1st will receive 1.5% of base pay (longevity, overtime, etc. will not be included in the calculation) provided in the form of deferred compensation only. Employees will have a choice of different deferral plans provided through the City’s deferred compensation carriers.

The term "residence" means the place where one resides, a place of abode accompanied with the intent to remain, a settled or permanent home or domicile. Residency shall be construed to be the actual domicile of the individual; where he/she normally eats and sleeps and maintains his/her normal personal and household effects, and where the employee's spouse and/or dependents reside.

Eligible Southfield residents will be required to apply to the Human Resources office for their residency incentive. This department will verify the residency, indicate the amount of funds the employee will be able to defer and stipulate the different deferral plans provided by the deferred compensation carrier. The employee will be required to indicate his/her choice of deferral plans on the supplemental participation form. These funds will then be placed with a deferred compensation carrier as of the first pay period in February.

An employee's statement of residency will be subject to verification by the City of Southfield at the time of application and any other time deemed appropriate. At the time of application, the employee will affirm that he/she lives in the City and show a valid Driver's License indicating a Southfield address. If residency is challenged, the employee may also be required to substantiate residency by producing utility bills, voter's registration and any other such tests that may be deemed reasonable by the City.

Upon completion of a preliminary investigation, the City will determine residency. If the applicant for the residency incentive wishes to appeal the decision made by the City, then such appeal may be made through the grievance procedure.

Probationary employees who live in Southfield by January 1st will be eligible for the benefit immediately and will not be required to wait until their probationary status has ended.

The residency benefit cannot be pro-rated. In other words, the program will be offered only once at the beginning of each calendar year. If an employee moves into Southfield in June, the residency benefit will commence the following January.

You have to be on active City payroll on January 1st to be eligible for this benefit.

The City can, under Section 457 of the Internal Revenue Code, participate in a deferred compensation program for resident employees. The limit would be the annual maximum deferral of 25% of base salary or $7,500 whichever is the lesser. For those employees who are currently participants in the Deferred Compensation Program, the
City's participation would either allow them to reduce their contributions if already at the maximum or to have contribution levels increased by the amount of the City incentive, if below the minimum. The residency incentive will be included as "compensation" in determining "final average compensation" for retirement purposes as defined in Section 1.313 of Ordinance #1491.
