Hello Residents and Friends:  
All of us here at your Parks & Recreation Department hope this magazine finds you doing well. It’s that time of year when we put our summer outdoor toys away and bring out the rakes for the leaves, tune-up the snow blower, find those snow shovels, put the heavy blankets on our couches and prepare for the messages of winter.

Be active...active in step, active in mind, and active in your spirit. Let us help you.

Here in our wonderful state of Michigan we are fortunate to have all four seasons, in the city of Southfield we celebrate all of them. Winter brings the crisp air and beautiful snow cover, turning even the most familiar walk through one of our parks into something spectacular. If walking outdoors isn’t calling your name, join us indoors in the Southfield Pavilion chances are you won’t be alone. At least 30-40 folks use the Pavilion as their regular walking space every day.

Be active...active in step, active in mind, and active in your spirit.

One of our highlights this winter is our Celebrate Black History Month program. Remember, Educate. Celebrate. This great new month-long program was born from an idea from a resident who came to us with a suggestion. From there a collaboration of staff and community leaders has come together to create thoughtful, insightful and incredibly educational experiences for everyone to enjoy. We are pleased to be bringing in the Black History 101 Mobile Museum for our Kick Off event on February 2. Other highlights during the month include a showing of the documentary film, I Am Not Your Negro, on February 15 and a celebration of the art of storytelling at The Secret Society of Twisted Storytellers event on February 28. Please come and be part of the celebration all month long!

Be active...active in step, active in mind, and active in your spirit.

Spend your leisure or recreation time this winter with your Parks & Recreation Department. Choose a class that’s new to you and expand your experiences. Create a new habit and try a workout at our newly remodeled Beech Woods Wellness Center. Enjoy a day trip to somewhere you’ve never been with the Adult Recreation Center 50+. Or bring the family out to our Winter Fest event and celebrate the season both inside and out. Please explore the following pages...find something that interests you and try it. Let us know if there is something you would like to see us offer. Please give us a call. We are here for you and we do listen.

Moving forward together,  
Terry Fields  
Southfield Parks & Recreation Director

Michigan winters can make it tough to stay active. Below are some indoor and outdoor options for the Southfield community to help keep those healthy resolutions.

Throw on your boots, grab a hat and some gloves and head out for a hike at a park. To see the parks under a layer of snow is to see them in a whole new way.

A couple of our favorite winter hiking spots include Inglenook Park and the nature trails at Civic Center Park (pictured).

Check out the newly renovated Beech Woods Wellness Center. Open 7 am - 9 pm Monday through Friday, 8 am - 4 pm on Saturday and 10 am - 2 pm on Sunday, the Beech Woods Wellness Center is there to help you work those winter blues away. Details on membership fees can be found on page 11 or call (248) 796-4676.

If you are looking for a nice warm place to get your steps in each day, come walk a few laps around the Southfield Pavilion with the Southfield Pavilion Walkers. The group began at Northland Mall and has happily made the Pavilion their new home. Walking is available daily in the Southfield Pavilion, unless otherwise posted, from 8 am until 8 pm.
