NON-RESIDENTIAL FENCE INSTALLATION APPLICATION

(To be attached to an Administrative or Site Plan Review Application with appropriate # of site plans or surveys)

Refer to Section 5.37-1, Article 4 of the Zoning Ordinance

Parcel Identification Number: _____ Zoning District: _____

Owner's Name: _____ Property Address: _____ Phone: _____

Fence Co. Name: _____ Address: _____ Phone: _____

Is this a corner lot? Y N

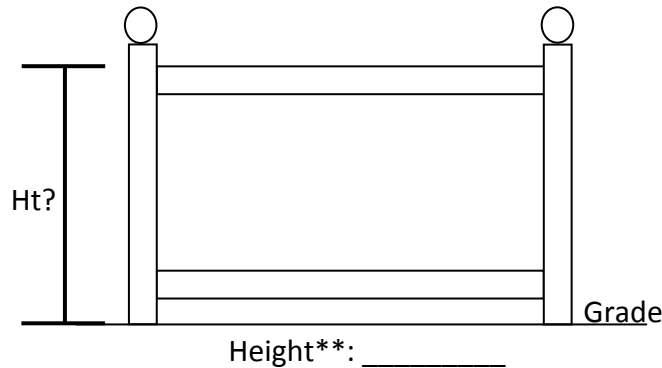

Will the fence extend into the front yard? Y N If yes, ZBA waiver may be required.

Type of fence (material, etc.)* _____ Height** _____

*Attach manufacturers spec sheet if applicable

Fences shall not contain barbed wire, razor wire, electric current, or charge of electricity (exception: Industrial Districts; see Section 5.371 C.2)

On the accompanying site plans/survey, please indicate location and height of proposed fence, and any existing fence. Also, label fence height below.

**Height is measured from grade to the top of the highest rail.

Note: Please remember that the property line is not the same thing as the edge of the street. There is typically a grassy Right-of-Way abutting the street. Corner clearance restrictions (Section 5.46) must be observed.

OWNER'S SIGNATURE: _____ DATE: _____

For Office Use Only:	
Possible Flood Plain?	Y N Zone: _____
FINAL APPROVAL: _____	DATE: _____
