<td>Entry through an unlocked door.</td>
<td>Reporting Party (R/P) states that he came into work and realized several tires were missing. Upon reviewing surveillance video, at approx. 3:10am he observed an unknown male enter the unlocked door on the east side of the building and remove several tires off of a rack and off of the floor. A white van was then seen leaving the lot. R/p mentioned that a few weeks ago a subject who was looking for scrap did make the business and was asked to leave the premises. They remembered him mentioning something about him owning a white van. Possibly related.</td>

18000 Midway Rd.

Entry was gained through a bathroom window on the east side of the home.

Victim advised that they left their home today at approximately 9:30am and secured it. They returned home at approximately 7:30pm and discovered the front door was standing open and a window was open on the side of the house. Victim advised that he called 911 and waited for the police to arrive. Victim advised that she had a suspicious person at her home a few days ago and now believes that the man may have been casing her home. Victim advised that a B/M that was driving a White Cargo Van came to her door and asked her if she needed any roofing or window repair. Victim told the man that she didn’t need anything and thought that it was suspicious because she could see that there were other men in the van. Victim advised that other neighbors have told her that they have seen the suspicious van in the neighborhood this week and have been approached about home repairs.
