Citizens should be aware of Scams that are out there! Especially be Careful of Tax Scams.

It’s that Time of Year.

1-877-382-4357

Someone calls to ask for money. Are they who they say they are? Stop!

Check it Out.

Don’t wire money if someone asks you to!

Tax Scams in the past involve unexpected refunds that are deposited into personal bank accounts. Scammers then impersonate IRS agents, alter the Caller ID information and contact the refund recipient advising them the money must be returned before facing arrest, deportation or suspension of their driver’s license. The target will be asked to return the refund through a gift card or wire transfer or the caller will attempt to get personal information from the target.

Citizen’s Beware- The IRS will not do the following:

- Call to demand immediate payment using a specific payment method such as a prepaid debit card, gift card or wire transfer. Generally, the IRS will first mail
you a bill.

• Threaten to bring in local police or other law-enforcement groups to have you arrested for not paying.

• Demand payment without giving you the opportunity to question or appeal the amount they say you owe.

• Ask for credit or debit card numbers over the phone.

Should you receive an unexpected /erroneous tax refund – contact the IRS either through their website www.irs.gov Tax Topic Number 161 - Returning an Erroneous Refund or Call the IRS toll-free at 800-829-1040 (individual) or 800-829-4933 (business).

The FCC further warns that criminals have used imposter tax preparation sites. Look alike Tax Preparation Services capture your personal information while you believe they are e-filing your tax return. Your information is now used to commit fraud. Always use trusted sites and be careful when clicking. When using an online tax preparation service, look for the tax preparer identification number. The IRS requires all paid tax preparers to have one before filing any returns.
