

PUBLIC INFORMATION MEETING

SECTION 26 – WASHINGTON VILLAGE WATER MAIN & ROAD REPLACEMENT PROJECT

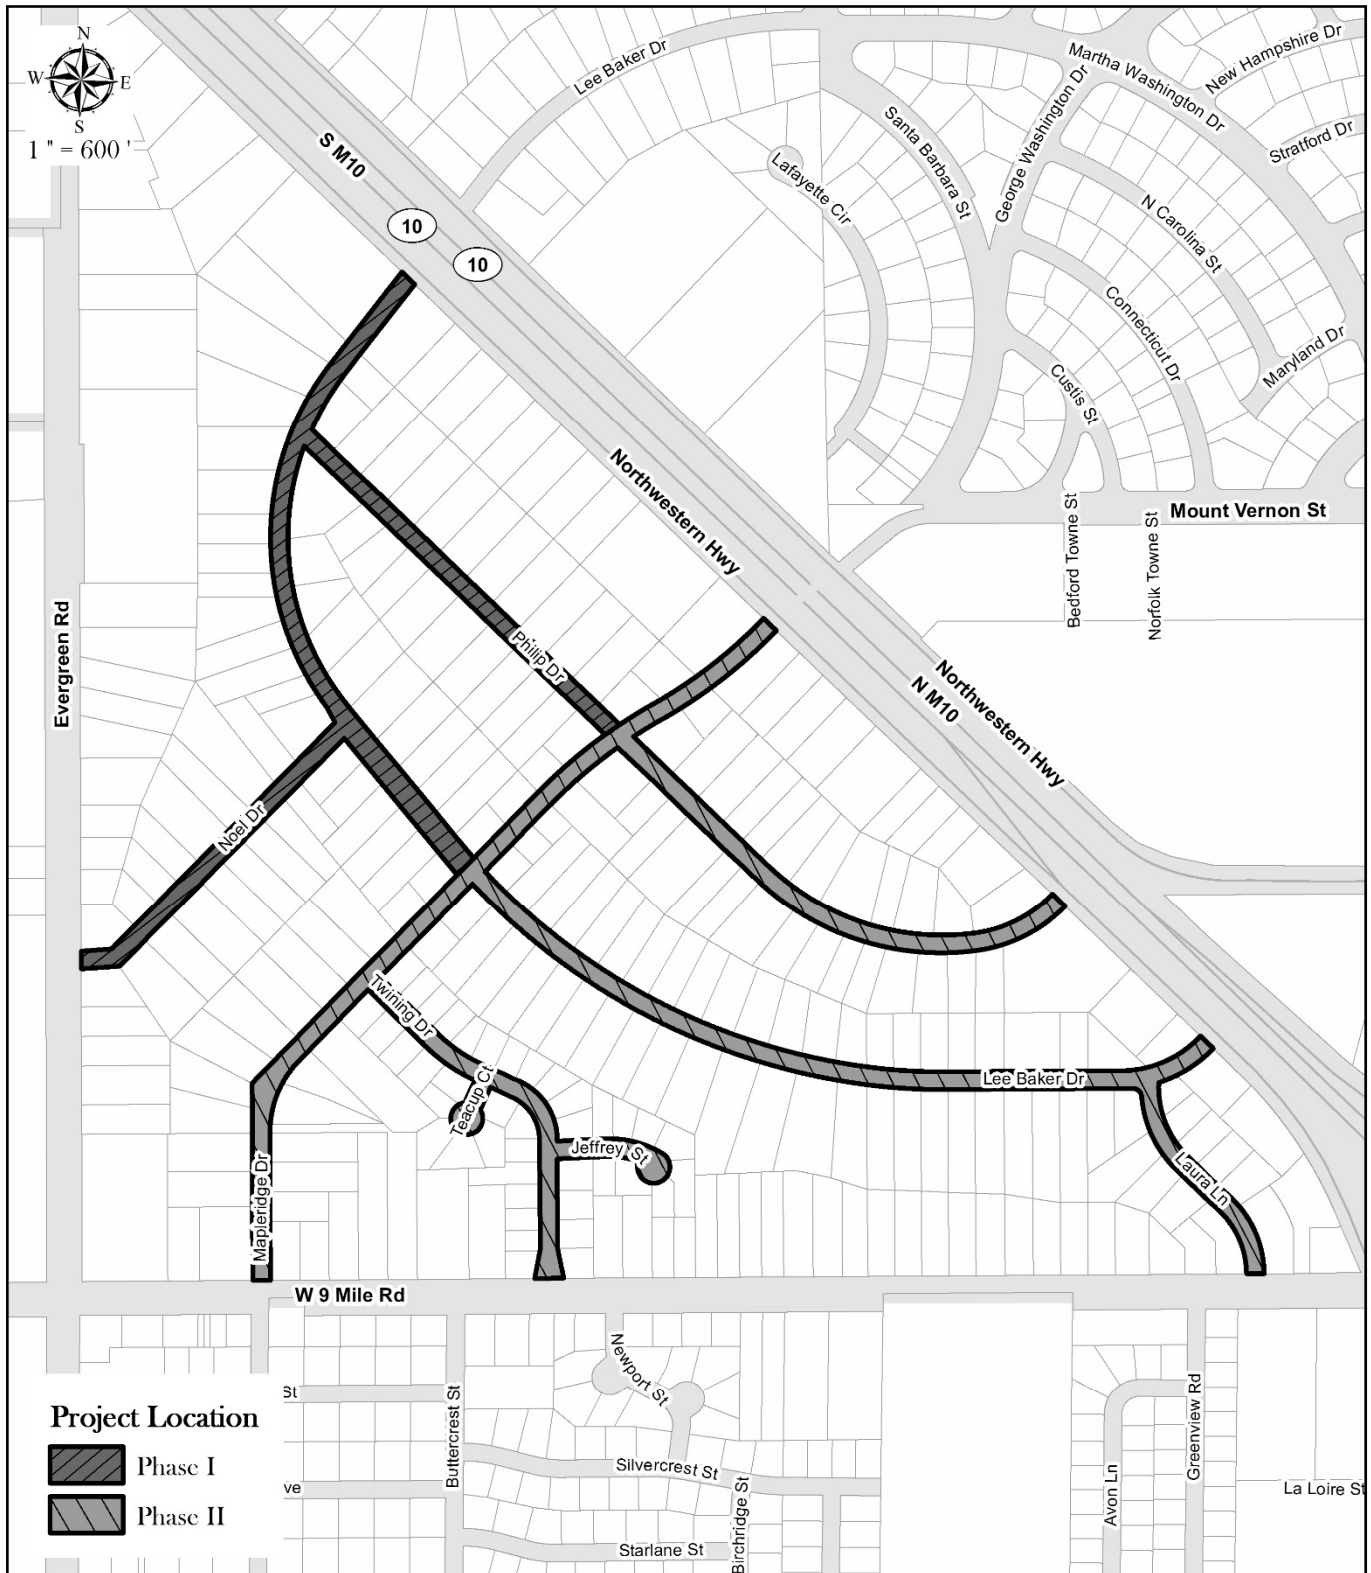

- WHEN:** Thursday, July 18, 2019
- LOCATION:** Northwest Unitarian Universalist Church
23925 Northwestern Hwy. (corner of Mapleridge)
- TIME:** 4:30 p.m. to 7:00 p.m.
- FORMAT:** Open House style so stop by any time! Opportunity to review the detailed engineering plans will be provided. City staff and the engineering consulting firm, Alfred Benesch & Company will be present to assist you with your questions and concerns.

PROJECT HIGHLIGHTS:

- Water mains will be replaced throughout the project area
- Two new water connections across 9 Mile Road for improved reliability
- Asphalt roads will be reconstructed including drainage improvements where needed
- Concrete slab repairs on concrete roads
- Driveway approaches only replaced where impacted by construction activity
- Project will take 2 years to complete; phasing per the attached map is subject to change
- Mid to late July construction start anticipated
- October 2020 completion
- \$5.8M investment funded by the 2019 Water & Sewer Capital Improvements Bond and the Street Improvement Bond funds

If you are unable to attend and have questions about the project, please contact the Engineering Department at 248-796-4810.

If you require accommodation in accordance with the provisions of the Americans with Disabilities Act (ADA) or provisions within Title VI, including those requiring language assistance and/or special accommodations, the City of Southfield will provide such services, free of charge, with advanced notice (2 business days) to the City. Please contact the Engineering Dept. at 248-796-4810 to submit your request.
