OAKLAND COUNTY ART INSTITUTE AUTHORITY MILLAGE

The Oakland County Art Institute Authority established pursuant to Public Act 296 of 2010 to allow for continuing support of art institute services for the students, residents and visitors of Oakland County. The law allows the Authority to seek authorization from the electors to levy a tax of not more than 0.2 mill (20 cents per \$1,000 of taxable value) on real and personal property to provide revenue to an art institute services provider for this purpose. Accordingly, to continue providing art institute services to benefit the residents of Oakland County, shall a 0.2 mill on all of the taxable property located within the County be imposed for a period of ten (10) years, being years 2012 through 2021? It is estimated that if approved and levied, this new millage would generate approximately \$9,847,191 in 2012.

Shall this proposal be adopted?

No 3,010

OAKLAND COUNTY PUBLIC TRANSPORTATION MILLAGE RENEWAL

If approved, this proposal will renew the .59 mills levied by the Oakland County Public Transportation Authority in 2010, for the years 2010 through 2011, and will allow continued support to the Suburban Mobility Authority for Regional Transportation (SMART) for a public transportation system serving the elderly, disabled, and general public of Oakland County.

As a renewal of the mills which expired with the 2011 tax levy, shall the limitation on the amount of taxes imposed on taxable property in the Oakland County Public Transportation Authority area be renewed at .59 mills (59 cents per \$1,000 of taxable value) for two (2) years, 2012 and 2013, inclusive, for the purpose of providing funds for the support of a public transportation system serving the elderly, disabled,

and general public of the County of Oakland? It is estimated that .59 mills would raise approximately \$16 million when levied in 2012.
