Hello Friends,

We have missed you all so much! As many of you have heard, the Southfield Parks & Recreation Department announced in May that all summer programming was suspended (all classes, programs, camps, special events, athletic leagues and all senior programs, trips and the TOSS service) through August 31, 2020 to keep our participants, our staff and our community safe. This includes the closure of all Parks & Recreation facilities such as the Parks & Recreation Building (where the Senior Services offices are located), the Southfield Sports Arena pool and Beech Woods Recreation Center. While we are not able to see each other as we are used to right now, we have been hard at work creating new experiences for us to interact together. Check out this special Southfield Scribe newsletter to get the details on all the new programs and classes we are offering for Summer 2020.

We encourage you to get out and explore your Southfield parks which are open everyday from dawn to dusk. You can take a walk through Carpenter Lake Nature Preserve or Inglenook Park. Enjoy a game of tennis at the Civic Center tennis courts, hit a bucket of balls out at the Beech Woods Driving Range or play 9 holes of golf at Evergreen Hills Golf Course.

As we continue to plan for future programs please know that Parks & Recreation is taking measures to ensure the safety of our participants and staff. Stay up-to-date on Parks & Recreation programs by visiting www.cityofsouthfield.com/departments/parks-recreation and Facebook @SouthfieldParksandRecreation.

In June we began our Senior Connection calling program. If you haven’t already heard from someone in Senior Services, you probably will soon! Betty, Sandy, Ruth and the rest of the Senior Services staff are calling and checking in to see how you are all doing during this time. If you have a question about a program or trip, or maybe you are looking for a reference for a needed service, let them know and they will be happy to help.

Amid the COVID-19 outbreak, like most organizations, COSA has had to pivot.

It means adjusting our Age Friendly Community action plans as well as holding monthly meetings virtually in efforts to continue our work towards an Age Friendly Community.
