Oakland County Zoological Authority Renewal Millage	
Yes	8,200
No	2,594

The Oakland County Zoological Authority was established pursuant to Public Act 49 of 2008 and formed to allow for continuing zoological services for the students, residents and visitors of Oakland County. The law allows the Authority to seek authorization from the electors to levy a tax on real and personal property to provide revenue to an accredited zoological institution for this purpose. Accordingly, as a renewal of the previously approved millage authorization which expires with the 2017 tax levy, to continue providing zoological services to benefit the residents of the County, shall the 0.1 mill (10 cents per \$1,000 of taxable value) on all of the taxable property located within the County continue to be imposed for a period of ten (10) years, being years 2018 through 2027? It is estimated that if approved and levied, this millage would generate approximately \$5,609,562 in 2018.
