Proposal 22-1	Total Votes
Yes	26,683
No	6,082

A proposal to amend the state constitution to require annual public financial disclosure reports by legislators and other state officers and change state legislator term limit to 12 total years in legislature.
This proposed constitutional amendment would:

- Require members of legislature, governor, lieutenant governor, secretary of state, and attorney general file annual public financial disclosure reports after 2023, including assets, liabilities, income sources, future employment agreements, gifts, travel reimbursements, and positions held in organizations except religious, social, and political organizations.
- Require legislature implement but not limit or restrict reporting requirements.
- Replace current term limits for state representatives and state senators with a 12-year total limit in any combination between house and senate, except a person elected to senate in 2022 may be elected the number of times allowed when that person became a candidate.

Proposal 22-2	Total Votes
Yes	28,884
No	4,773

A proposal to amend the state constitution to add provisions regarding elections. This proposed constitutional amendment would:

- Recognize fundamental right to vote without harassing conduct;
- Require military or overseas ballots be counted if postmarked by election day;
- Provide voter right to verify identity with photo ID or signed statement;
- Provide voter right to single application to vote absentee in all elections;
- Require state-funded absentee-ballot drop boxes, and postage for absentee applications and ballots;
- Provide that only election officials may conduct post-election audits;
- Require nine days of early in-person voting;
- Allow donations to fund elections, which must be disclosed;
- Require canvass boards certify election results based only on the official records of votes cast.

Proposal 22-3	Total Votes
Yes	28,138
No	6,492

A proposal to amend the state constitution to establish new individual right to reproductive freedom, including right to make all decisions about pregnancy and abortion; allow state to regulate abortion in some cases; and forbid prosecution of individuals exercising established right.

This proposed constitutional amendment would:

- Establish new individual right to reproductive freedom, including right to make and carry out all decisions about pregnancy, such as prenatal care, childbirth, postpartum care, contraception, sterilization, abortion, miscarriage management, and infertility;
- Allow state to regulate abortion after fetal viability, but not prohibit if medically needed to protect a patient's life or physical or mental health;
- Forbid state discrimination in enforcement of this right; prohibit prosecution of an individual, or a person helping a pregnant individual, for exercising rights established by this amendment;
- Invalidate state laws conflicting with this amendment.

Oakland County Public Transportation Millage	Total Votes
Yes	24,428
No	8,297

A proposal to authorize Oakland County to levy a millage for the purpose of funding public transportation services in Oakland County, including operating, maintaining, improving, and expanding transit services, creating and expanding new fixed routes for bus service connecting local communities, expanding transportation services for seniors, veterans, and people with disabilities, and providing transportation to get employees to jobs, patients to healthcare, students to colleges and universities, for the general public to have more transportation options, and for related purposes authorized by law.

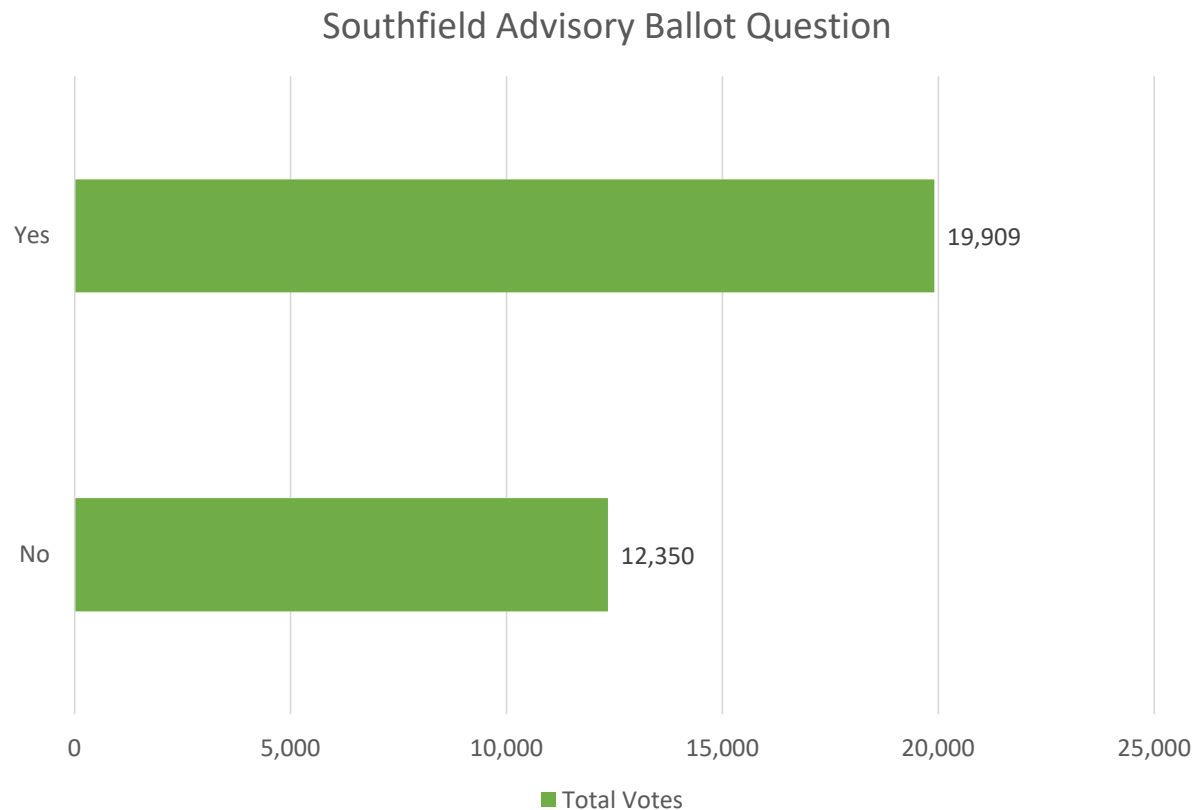

- This millage would be levied at a maximum rate of .95 mills (95 cents per \$1,000 in taxable value) for a period of 10 years beginning in 2022 and ending in 2031.
- This millage would replace an expiring millage levied by the Oakland County Public Transportation Authority supporting the Suburban Mobility Authority for Regional Transportation (SMART), and fund replacement of other local public transportation millages.
- If this new millage is approved and levied, revenue will be distributed to Oakland County, SMART, North Oakland Transportation Authority (NOTA), Older Persons' Commission (OPC), and the Western Oakland Transportation Authority (WOTA). It is estimated that \$66,163,000 will be collected in the first year. Expenditure of revenue from the millage will be subject to oversight by the Oakland County Board of Commissioners and to independent audits.

Southfield Advisory Ballot Question	Total Votes
Yes	19,909
No	12,350

Do you support the reduction of the deer herd in the City of Southfield by humane, lethal means with the intent to engage local partners and ensure that donation of meat, deemed safe and where feasible, is made to local foodbanks and similar organizations?

November 2022 General Election

School Improvement Bond Proposition - Southfield Public Schools	Total Votes
Yes	20,562
No	9,028

Shall the Southfield Public Schools, County of Oakland, State of Michigan, borrow the sum of not to exceed Three Hundred Forty-Five Million Dollars (\$345,000,000) and issue its general obligation unlimited tax bonds, in one or more series, for the purpose of paying for the cost of the following projects:

Remodeling, equipping, re-equipping, furnishing, re-furnishing school buildings, athletic fields, playgrounds and other facilities to create a modern learning environment for students and for health, safety, security, energy conservation and other purposes;

Erecting, completing, equipping and furnishing additions to school buildings and a stadium building;

Acquiring and installing instructional technology infrastructure and equipment in school buildings and other facilities; and

Preparing, developing and improving sites at school buildings and other facilities and the purchase of school buses?

The annual debt millage required to retire all bonds of the School District currently outstanding and proposed pursuant to this ballot is expected to be at or below 5.56 mills which is a 3.26 mill increase from the 2.30 mills of annual debt millage levied in 2022. The maximum number of years any series of bonds may be outstanding, exclusive of refunding, is not more than thirty (30) years; the estimated millage that will be levied to pay the proposed bonds in the first year is 3.63 mills (which is equal to \$3.63 per \$1,000 of taxable value); and the estimated simple average annual millage that will be required to retire each series of bonds is 5.30 mills annually (\$5.30 per \$1,000 of taxable value).

If approved by the voters, the bonds will be guaranteed by the State under the School Bond Qualification and Loan Program (the "Program"). The School District currently has \$32,160,000 of qualified bonds outstanding and \$0 of qualified loans outstanding under the Program. The School District does not expect to borrow from the Program to pay debt service on these bonds. The estimated computed millage rate required to be levied to pay the proposed bonds may change in the future based on changes in certain circumstances.

(Pursuant to State law, expenditure of bond proceeds must be audited, and the proceeds cannot be used for teacher, administrator or employee salaries, repair or maintenance costs or other operating expenses.)
