LET CHORE HELP

CITY OF SOUTHFIELD'S

CHORE program has been assisting seniors (62+) and physically-challenged homeowners in repairing and maintaining their homes and property since its inception in 1983.

A qualified homeowner is granted \$600 per year (subject to change) for this purpose. CHORE grants pay for labor involved, while homeowners are responsible for materials (for example: paint, lumber).

By helping with minor home repairs and yard work, CHORE enables these residents to remain in their homes. CHORE contractors are insured, recommended, and adhere to current health guidelines.
