

The City of Southfield uses BS&A Online as a self-service employee tool.

Using BS&A you can access your paystubs, financial information, tax forms, view leave balances, and make changes to your address, emergency contacts and other personal information.

You will receive a link to your personal email address to register for an account, it is important that you register using this direct link.

Make sure to register with a personal email address NOT your work address. This is so you can access this information even if you leave employment with the City of Southfield.

Once you login, you will access your information by hovering over “services” and selecting the Employee Self Service option from the drop down menu:
