Do not report move-ins of NEW equipment on this form. Report in the appropriate sections below the acquisition cost and year-new of "Move-Ins" of USED equipment. These costs must also be reported in the appropriate Section of Form 632 (L-4175), Personal Property Statement. See the instructions to Form 632 (L-4175) for guidance in determining the correct Section for reporting the costs. It is not necessary to include on this report any property reported on Sections G, H, I or M of Form 632 (L-4175). "Move-Ins" are items of assessable personal property that were not assessed in this jurisdiction (city or township) in 2023, including: acquisitions of previously used personal property (which should be reported in the year the property was new and at the cost when new); used personal property you have moved in from a location outside this jurisdiction; personal property that was exempt in 2023 (such as exempt Industrial Facilities Tax property); and, personal property that you mistakenly omitted from your statement in 2023.

"Move-Ins" DO NOT INCLUDE property that you have moved from another location WITHIN this city or township or that was assessed in this jurisdiction to another taxpayer in 2023 (for example, property reported to this jurisdiction by a previous owner or previously leased property reported to this jurisdiction by the lessor).
