12/07/2022 10:17pm	30000 Southfield Rd. (Department Store)	Status S - Stolen/Etc. Description: Cash was stolen from Target.	<p>On 12/07/2022, Officer was responding to the area of the business located in the 30000 Block of Southfield Rd. on report of a robbery that had just occurred. Per the R/P, the suspects had gotten into a Silver Ford Focus, occupied by four subjects last seen headed southbound on Southfield Rd. The R/P indicated that the suspect said he had a gun (implied only, not seen) and demanded money, and got an undisclosed amount of cash from the employee at the cash register. The suspect was described as: B/M, 20's, with short dreads, wearing dark jeans, gray hoodie, and flip flops. The driver denied the robbery and stated he got cash back after purchasing a Kit Kat Candy Bar and he had the receipt.</p> <p>Further investigation revealed that the suspect</p>

		<p>had made purchase of a candy bar then attempted to take a sum of cash back off the transaction with a Fraudulent Credit Card. Employees for business determined they were going to deny the request for the cash back. The manager informed the suspect they would not be giving him any cash back. The manager then observed two males that were with the suspect standing near the exit telling the suspect to "slap him up". The suspect then said, "I am going to slap you up with the Glock on my waist" and grabbed at his waistband as if he were armed, he then repeated himself multiple times. The manager was in fear for himself and coworkers, so he opened the register and provided the suspect with a sum of cash that the suspect had requested on the cash back. He and the two other males then exited the store. The employee did not see a weapon but believed the subject to be armed. Further investigation revealed that the suspect attempted to purchase a candy bar 7 times with 7 different credit cards that were denied. Clearly the suspect was attempting to use the credit cards fraudulently. The suspect was identified and the other two subjects that were in the store with suspect are believed to be involved in Credit Card Fraud as well. A fourth subject, the driver of suspect vehicle had a suspended drivers license and was issued Traffic Citation for DWLS. He also had credit cards on him that had another person's</p>

How to prevent this from happening to you!

-Citizens should never leave anything of value inside their vehicle. (Especially Handguns, Purses, Wallets, Cash & Cell Phones!)

- If you have a garage, you should park your vehicle in the garage and lock the garage.

- Wheel Locks are a deterrent but do not leave the wheel lock key in the interior of your vehicle, especially the center console or glove box. This is the first place they will look for the wheel lock.

-After parking your vehicle turn your wheels all the way to the right or the left. This will make it difficult to get the lug nuts off the front wheels.

-If you do not have a garage, try to park your vehicle as close to your residence as possible.

-If you hear any loud noises near where your vehicle is parked, especially during the late night or early morning hours, attempt to look outside without alerting anyone and if someone is tampering with your vehicle immediately calls 911, (Do Not Approach or Scare the Suspects Away) give Police Dispatchers as much information about the

Special Attention: Crime Prevention for the Holidays!

With the Holidays approaching citizens should be extra careful when shopping. Citizens should never leave anything of value inside the compartment area of your vehicle. If you must leave valuables in the car, be sure to put them in the trunk. If you do not have a trunk then I would recommend you take items home. Do not leave Christmas Gifts in your vehicle. Citizens should be extra careful when carrying a purse. Do not ever carry your purse over your shoulder and do not ever leave your purse open and or in a shopping cart unattended. This includes when you are in the store or when emptying items from your shopping cart into your vehicle in the parking lot. You are an easy target for someone to take your purse or take your wallet. It only takes a matter of seconds for someone to do this. Stay vigilante!!!

I would recommend that citizens not carry a purse. Instead, they should carry a wallet or something that can be concealed inside your jacket.

Happy Holidays and be Safe!!!!!!!!!!!!!!
