RE: Notice of Intent - Oakland County Materials Management Plan

Dear Oakland County Municipality,

Notice is hereby given that on June 12, 2024 the Oakland County Board of Commissioners served its Notice of Intent to the Michigan Department of Environment, Great Lakes, and Energy (EGLE) Materials Management Division to accept the role of County Approval Agency (CAA) and the responsibility to prepare and implement a single-county Materials Management Plan (MMP) for Oakland County pursuant to Part 115, Solid Waste Management, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended, and its administrative rules.

Filing the Notice commences the formal 36-month planning process and encourages and requests cooperation and comments from all interested parties.

The MMP will be developed under the direction of the Oakland County Materials Management Planning Committee (MMPC). All MMPC meetings are open to the public and notice of the first meeting of the MMPC is enclosed. Each municipality will receive future meeting notices. In addition, a copy of the Notice of Intent Submittal, public notices of the MMPC meetings, and other project information will be posted on the County's Materials Management Planning page: OakGov.info/MMP.

Action Requested: Please post the following link (OakGov.info/MMP) and a copy of the enclosed Notice of Intent Submittal on all official city, village and township websites.

Contact me with any questions or to discuss the upcoming Materials Management planning efforts further. Thank you in advance for your consideration and cooperation in this matter.

Sincerely,

Whitney Calio, Principal Planner
Designated Planning Agency Representative

Enclosed: *Notice of Intent (NOI) Submittal - Oakland County Materials Management Plan*
Public Notice - August 27, 2024 Materials Management Planning Committee Meeting
