City of Southfield Deer Herd Reduction Advisory Question on November 8 ballot

The Southfield City Council approved a Deer Herd Reduction Advisory Ballot Question to be officially placed on the November 8, 2022 ballot to allow Southfield voters the opportunity to offer input on a potential herd management option.

The outcome of the vote doesn't necessarily mean that any action will be taken either way and no official plans have been approved or decisions made. The ballot proposal will simply allow residents the opportunity to voice their opinion about what should be done, if anything, while providing Southfield elected officials and administration valuable community feedback and input.

The City of Southfield Wildlife Advisory Commission held

a Deer Herd Reduction Advisory Ballot Question Town Hall on September 22 in the Southfield Public Library Auditorium to provide Southfield residents with detailed information pertaining to the current number of deer estimated in Southfield as well as potential herd reduction possibilities.

The event included welcoming remarks from Mayor Dr. Ken Siver followed by a Wildlife Advisory Commission overview and activities update by Wildlife Chair David Sheaffer. Chad Stewart, Michigan DNR Deer & Elk Program Specialist, provided a presentation on the Ecological & Biological Aspects of Deer & Deer Management in addition to Plant Ecologist Dr. Jacqueline Courteau's presentation on the Impacts & Interactions of Deer on the Ecosystem. The town

City of Southfield Advisory Ballot Question

Do you support the reduction of the deer herd in the City of Southfield by humane, lethal means with the intent to engage local partners and ensure that donation of meat, deemed safe and where feasible, is made to local foodbanks and similar organizations?

Southfield hosts St. David's Episcopal Church's "Remember Them"

The City of Southfield will display St. David's Episcopal Church's "Remember Them: Interactive Memorial of Violence Against People of Color for Reflection and Change" outdoors at the Southfield Municipal Campus near the Southfield Public Library until November 23..

The *Remember Them* memorial is aimed at raising awareness and inspiring action to further racial and social justice. It includes headstones of well-known, and not so well-known victims of racial violence and injustice, including George Floyd, Medgar Evers, Sandra Bland, and Breonna Taylor. The installation also includes a 100-page book with one page devoted to each victim to help visitors understand the stories behind the names. Copies of the book are available to view in the Southfield Public Library and Parks & Recreation Building.

The installation is open every day from dawn until dusk.

For more information, contact the Mayor's Office at (248) 796-5100 or visit www.cityofsouthfield.com.

City Administrator Zorn receives MEDA 2022 President's Award

Southfield City Administrator Fred Zorn, CEcD received the 2022 President's Award from the Michigan Economic Developers Association (MEDA) on August 24 at their Annual Meeting at The Westin Book Cadillac Hotel Detroit.

The President's Award is given annually to members that have provided a substantial contribution to MEDA. The Annual Meeting is MEDA's biggest education and networking event of the year. The conference includes educational sessions covering the most important economic development topics and issues of the day as well as several networking opportunities.

"MEDA is proud to add Fred to its list of President's Award recipients and looks forward to his continued commitment to the Association for years to come," said 2022 MEDA Board President Samantha Seimer, Vice President, Economic Development Services for AKT Peerless Environmental Services.

Administrator Zorn has been a member of MEDA for 21 years and is an outstanding leader in the field. He has always been active, creative, and willing to use State and Federal economic incentives to develop millions of dollars in underutilized or contaminated sites in the communities in which he has worked. During his role as Director of Economic

Development at the City of Taylor, he was instrumental in the City's receipt of the Livability Award from the Conference of Mayors in 2003 and was at the forefront of using PA 381 to spark revitalization of adopting over 40 Brownfield plans. In Southfield, Mr. Zorn was the driving force in fitting together the public/private redevelopment of the former Northland Mall among many other successful redevelopment projects. Mr. Zorn was appointed as the Southfield City Administrator in 2014. Appointed by and reporting directly to City Council, he is responsible for the City's daily operations, preparing the annual municipal budget, conducting studies and making recommendations on City operations to City Council. The City Administrator also directs the administrative staff, appoints most management employees with City Council's confirmation, and ensures enforcement of all City laws and ordinances.

About MEDA

The Michigan Economic Developers Association (MEDA) was founded in 1960 and exists to advance economic development throughout Michigan. The association's goal is to provide a variety of services and programs that will enhance economic development in Michigan. Through education, legislative updates, public relations and networking, MEDA makes it possible for economic development professionals statewide to accomplish their goals more efficiently.

City of Southfield enacts deer feeding ordinance

The City of Southfield has amended Chapter 113, Animals, of Title IX, Police Regulations, of the Code of the City of Southfield by adding a new section, Sec. 9.90, Feeding Deer Prohibited, Ordinance No. 1748, which was enacted by City Council on March 7.

Combined with other wildlife management strategies and recommendations from the City of Southfield's Wildlife Advisory Commission, the purpose of the feeding ban ordinance is to eliminate deer attraction, aiming to reduce the depredation impacts on residents and to assure the safety of the traveling public on city streets.

Ordinance No. 1748 addresses recreational feeding and high deer populations that can result in the destruction of residential landscaping and gardens, as well as pose a threat to public safety by increasing deer and automotive accidents. Per the ordinance, no person shall place or permit any grain, fruit, vegetables, nuts, hay, or other edible materials less

than five feet above the ground surface, unless these items are screened or protected in a manner that prevent deer from feeding on them. Prior to the issuance of a citation for violation, the city will first issue a written warning giving notice of the penalties as stated in Section 9.88 that could be imposed if the violator fails to cease and desist feeding deer.

Exceptions to the prohibition include veterinarians, city/county animal control officers, parks maintenance staff, county, state, or federal game officials that are within their duties, have a deer in their custody, or a deer under their management. Persons feeding domestic animals or wild birds with properly maintained feeding containers or devices, the use of straw-related material for landscape purposes, or the use of plant material for decorative seasonal or holiday purposes between September 1 and December 31 are also included as exceptions.

Deer Herd Reduction - Continued from page 3

hall concluded with a Deer Herd Reduction Advisory Ballot Question overview provided by the Wildlife Commission as well an opportunity for questions from the audience.

Southfield Cable 15 covered the event and will cablecast the Deer Herd Reduction Town Hall in its entirety Monday - Wednesday at 10 a.m., Thursdays & Fridays at 10 a.m. and 7 p.m., and Saturdays & Sundays at noon until November 8. The video will also be available on Cable 15's YouTube channel as well as on the City's website at www.cityofsouthfield.com.

For more information, call Southfield Community Relations at (248) 796-5130 or visit www.cityofsouthfield.com.

Take the Oakland County Deer Survey

As a resident of Oakland County, the Oakland County Community Deer Coalition is seeking your input on their Oakland County 2022 Community Deer Survey. Please take a minute to complete this short survey online before November 11, 2022 at <https://www.surveymonkey.com/r/oaklandcountydeersurvey>.

Don't veer for deer!

Each year, there are nearly 50,000 reported vehicle-deer crashes in Michigan. About 80 percent of these crashes occur on two-lane roads between dawn (5-8 a.m.) and dusk (6-10 p.m.).

Follow these safe driving tips when encountering deer on the road:

- Always wear a seatbelt;
- Be especially alert in areas where roads divide forestland and agricultural fields; and
- Be cautious if you see one deer; there may be others nearby

If a crash is unavoidable:

- Don't swerve out of your lane. Brake while securely gripping the steering wheel to bring the vehicle to a stop;
- Pull off the road, turn on your emergency flashers; and
- Do not touch the animal. A frightened and wounded deer can cause harm to you and itself.

Polls will be open from 7 a.m. to 8 p.m. at all polling locations.

Voters can request an absentee ballot at <https://mvic.sos.state.mi.us/> and then complete the form and return to the City Clerk's Office. The Clerk's Office will be open Saturday, November 5 from 7am-3pm & Mon., November 7 from 8 a.m. - 4 p.m. to accept and process Absent Voter requests.

Absentee ballots issued on November 7 must be completed on-site and cannot leave the building per State Election Law.

City of Southfield appoints Patrick Ryan as new Public Works Director

The Southfield City Council unanimously approved City Administrator Fred Zorn's appointment of Patrick Ryan as the new Director of Public Works at the May 2 City Council meeting.

"I am pleased with City Council's approval of my appointment of Mr. Ryan as the new Director of Public Works," commented City Administrator Fred Zorn. "He comes to us with a great deal of experience in all facets of municipal public works and I am confident that he will be a great asset to the City."

Mr. Ryan is a public works professional with 31 years of experience in the public and private sector. He has extensive experience in water, wastewater, and stormwater utility operations, debris removal, solid waste, environmental, grounds, parks, forestry, roadway, bridges, and facilities construction and maintenance. He most recently worked as the Director of Public Works for the City of Rochester, Michigan in addition to serving in several other public

works positions, including Public Works Director in two Illinois municipalities, Public Works Director for the City of Hyattsville in Maryland, and Assistant Public Works Director for the Village of Homewood, in Illinois.

He has successfully secured grant funding and administering federally-funded contracts in accordance with all federal and state regulations. Additionally, he has procured numerous state and federal grants for environmental remediation and improvements as well as disaster relief and mitigation and successfully executed contracts including roadway reconstruction, debris management, wastewater treatment plants and collection, and energy efficiency. Mr. Ryan has also served on numerous state and local advisory boards and commissions responsible for disaster planning and environmental improvement.

As the new Director of Public Works for the City of Southfield, Mr. Ryan will oversee 73 employees and a \$100 million budget.

Mary Beall appointed as new City Librarian at Southfield Public Library

The Southfield Public Library Board appointed Mary Beall as the new City Librarian with the retirement of Dave Ewick.

Mrs. Beall previously served as the Assistant City Librarian at Southfield Public Library since 2009 and has been a part of the Library team for over 20 years. She previously served as Visiting Assistant Librarian and Instructor at the University of Illinois-Chicago, and Adjunct Faculty for Dominican University. While in Chicago, Mrs. Beall also created the on-site full-service library for the international press at the Democratic National Convention and created the first web-based information clearinghouse for issues related to women and girls for the state of Illinois.

Librarian Beall received her M.S. in Library Science from Wayne State University, and a B.A. from the University of Michigan. She started her career in Detroit in Marketing and Public Relations for Omnigraphics, a library reference

book publisher, and later worked in the research libraries for Nissan Research & Development and the UAW.

She is Past President of the Wayne State Library and Information Science Alumni Association, Past President of the Michigan Chapter of the Special Libraries Association, and a longtime Director on the board of the Friends of Michigan Libraries. Mary is the recipient of the President's Award for Notable Achievement and the Public Relations Member Achievement Award from the Special Libraries Association, as well as the co-author of *Special Libraries: A Guide for Management*.

As the new City Librarian, Mrs. Beall will develop and execute a \$7.5+ million budget; oversee all operations for the 123,000 square foot, state-of-the-art public library facility; and supervise over 100 librarians, paraprofessionals, and other staff.

Southfield Goodfellows seeking community donations for 2022 holiday giving season

The Southfield Goodfellows' annual drive to provide food, clothing, and gifts for low-income families in our community continues to face a great challenge coming out of the COVID-19 pandemic. In addition to the families that usually need our help, there are even more families whose hardships have been made worse. The pandemic has necessitated the cancellation of our newspaper drive, reducing our resources (funds, volunteers, and gift/toy donations).

This year (so that families and volunteers are safe), we will only be providing gift cards to low-income families. The Goodfellows will give donated gift cards to families (that were approved via their completed applications) by drive-thru pickup appointments.

Southfield Goodfellows is seeking only monetary donations to purchase gift cards for low-income families and senior citizens that live in Southfield and Lathrup Village. The Goodfellows are asking individuals and organizations to donate by Friday, November 11, 2022.

The Southfield Goodfellows is an all-volunteer non-profit 501(c)(3) tax-exempt organization that provides assistance through the coordinated efforts of donors and volunteers. The group works in partnership with

the Southfield Human Services Department to identify senior citizens and families with school-aged children who require assistance during the holiday season.

To make a monetary contribution, please donate on Southfield Goodfellows' secure website at www.southfieldgoodfellows.org or make a check or money order payable to Southfield Goodfellows and mail (early) to P. O. Box 2336, Southfield, MI 48037-2336. For questions, please leave a message on their 24-hour voicemail at (248) 788-5899.

Sign up for Southfield's free electronic newsletter and follow us on social media to stay connected

The City of Southfield offers the community a convenient and cost-effective way to stay apprised of the latest City news and events through the free Southfield eNews electronic newsletter.

Sign-up is free and easy right from the City's website. Simply log on to www.cityofsouthfield.com and enter your e-mail address in the field located in the upper right-hand corner of the homepage. From here you will verify your e-mail address and set your preferences.

Registered users will then begin receiving e-newsletters as they are released.

2022 Southfield Photo Prize winner announced

The City of Southfield announced the winner of the 2022 Southfield Photo Prize at an awards reception on Wednesday, September 14 in Council Chambers.

The city of Southfield sponsored the 6th annual Southfield Photo Prize competition and outdoor exhibition this summer to showcase the natural and architectural beauty throughout the city. Over 250 submissions were received and initially reviewed by the Total Living Commission which selected the top 25 photos that were eligible for public voting from July 1 – September 2. The Photo Prize finalists were enlarged and placed on public display at the parks & recreation building with online voting at www.cityofsouthfield.com. The results were determined by the most overall online votes each finalist received.

First place was awarded to Anthony Dennard with over 650 votes for his photo of the Southfield skyline and the City's Covid-19 Memorial Flags shot from the Southfield Municipal Campus. Second place was awarded to Vanassa Gandy for her photo of the SFLD letters at the Southfield Municipal Campus. Third place was awarded to Darren Hood for his photo taken at Carpenter Lake Nature Preserve.

2022 Southfield Photo Prize 1st Place Winner Anthony Dennard

The winning photographs and finalists will be featured in the City's 2023 calendar and other city marketing materials. The Southfield Photo Prize 1st place winner received a gift certificate and bag of Southfield swag and all finalists received their enlarged photos to keep.

2nd Place Winner Vanassa Gandy

2nd Place Winner Darren Hood

2023 Southfield Photo Prize now open for submissions!

The City of Southfield is now seeking entries for the 7th annual Southfield Photo Prize! Entries must be an original digital color photograph of a Southfield landmark or other subject matter shot within the City of Southfield borders. Photographs with no obvious photo editing taken in any season or format are acceptable (color or b&w). Up to three submissions per person may be e-mailed as an attachment to PhotoContest@cityofsouthfield.com by Friday, May 26, 2023. For more information and full contest details, contact Community Relations at (248) 796-5130 or visit www.cityofsouthfield.com.

Get featured in the next *Southfielder Spotlight*

The City of Southfield is not only Michigan's premier business address, but also one of the metro area's most desirable residential communities. Southfield is home to more than 76,000 residents from a wide array of diverse backgrounds. Many very notable individuals reside within our city limits, from well-known professional athletes to successful business people, entertainers and artists. It is no surprise that so many interesting people from varied backgrounds call Southfield home, because let's face it – every Southfielder is unique!

Do you have a friend, family member or neighbor who has a compelling story or background to share? Do you know any fellow Southfielders that have a special skill, talent, hobby or other unique trait that would be of interest or inspiring to others? Are you that person? If so, please let us know for a new feature on the City's social media pages and official newsletter Southfield Living!

We are looking for those interesting, active and involved Southfielders who stand out in their civic or volunteer involvement or their unique skills or talents.

Please send your suggested Southfielder spotlight submissions to mmanion@cityofsouthfield.com. Include your name and contact information as well as the name, contact information and a short description of the person you are nominating. Self-submissions are also welcome and encouraged. Let us know what they (or you) do or have done that is interesting or unique.

The City of Southfield will feature selected candidates on the City's website, social media and in future issues of Southfield Living city newsletter.

City of Southfield seeking submissions for 2022 Greg Kennedy Community Service Award

The City of Southfield has reintroduced the Greg Kennedy Community Service Award to honor members of the community who exemplify the characteristics of the late Greg Kennedy. The Award was originally established in 1999 to honor the legacy of community activist Greg Kennedy by encouraging other residents to engage in public service.

Greg Kennedy was one of Southfield's first residents and demonstrated his commitment to the City throughout his entire lifetime. He established the City's first Southfield Homeowners Coalition and annually sent numerous low-income children to attend the Shriner's Circus. He visited senior homes in Southfield every week to help out, entertain and listen. He was an outspoken advocate for seniors and young people alike and was known for standing up for other people's rights.

The Greg Kennedy Community Service Award is intended to: recognize and encourage volunteerism in the City of

Southfield; raise public awareness of the many areas within the City that benefit from volunteer commitment; and recognize unsung heroes who represent the characteristics of the late Greg Kennedy and his commitment to Southfield and its residents.

Since its inception, there have been only seven recipients of the award, including: Samuel P. Havis in 2000; Jacqueline Nelson in 2001; Muriel Zweigel in 2003; Jon Adams in 2016; Roger Goolsby in 2017; Patricia Haynie in 2018; and Rosemerry Allen in 2019.

For more information, call Community Relations at (248) 796-5130 or visit www.cityofsouthfield.com.

Nominations for the 2022 Greg Kennedy Award are due by November 1. The complete award guidelines and nomination form are available online at www.cityofsouthfield.com or in print at City Hall.

Prepare your home for fall and winter

Fall is the time when you want to get your home and yard ready for the winter cold. Follow these easy steps, most of which you can do yourself, to help lower your utility bills and protect your property.

Home Preparation Steps

- Tune-up your furnace for optimal performance. Get your chimney, furnace and heating ducts inspected and winterize the A/C. Also, regularly replace furnace filters and check smoke and carbon monoxide detector batteries.
- Clean out gutters and downspouts, disconnect and drain all outside hoses. If possible, shut off outside water valves.
- Repair roof leaks and prune any tree branches that could become weighted down with ice or snow and fall on your house or your neighbor's house.
- Wrap water pipes in basement or crawl spaces with insulation sleeves to slow heat transfer and consider an insulated blanket for your hot water heater. If you have a fireplace, keep the flue closed when you're not using it.

Yard Preparation Steps

- Aerate your lawn if the soil is compacted or if thatch is a problem. Apply gypsum and fertilizer to improve soil.
- Plant flowering bulbs and dormant, deciduous trees and shrubs while your garden soil is still soft and pliable. Be sure to allow sufficient space to allow for spring growth.
- Cut the grass one more time to 2-3 inches in height, service your lawn mower and store for winter. Continue to rake fallen leaves and collect in approved paper yard waste bags or in a rigid container clearly marked 'Yard Waste.'
- **Yard waste in plastic bags will not be accepted! Yard waste will be collected on residents' regular garbage collection day through December 9.**

Snow Removal Info

The City of Southfield recognizes that dealing with snow and ice covered roads is an inconvenience we all must face. Our road crews do their best to clear the roads as quickly and safely as possible.

We begin by plowing the major roads first, followed by Priority 2 roads (Collector streets) and potentially hazardous locations. Collector streets and potentially hazardous intersections and hills are plowed or salted as required at all storm depths after city major streets are completed followed by all local roads.

DRIVEWAYS & SNOW

Following are some steps that you can take when clearing your driveway to reduce the amount of snow that may get piled as the road is plowed:

- If possible, clean driveways and around mailboxes after we have finished plowing the roads.

If this is not possible . . .

- When clearing your driveway, place as much snow as possible in the direction of travel downstream on your side of the road.
- Clear an area upstream from your driveway opening to form a "pocket" for the snow from the road to go into. The result will be that more of the snow from the clearing of the road will go into the open "pocket" area and less will end up in the end of your driveway.

MAILBOX INFORMATION

Snow being discharged from the plow can damage or knock down your mailbox without having any contact from our equipment. It is the City's policy to consider replacing mailboxes only if they are hit by our equipment.

For more information, call Streets & Highway at (248) 796-4860 or visit www.cityofsouthfield.com.

Residents reminded to clear sidewalks

By City Code, homeowners, renters and businesses are responsible for clearing snow and ice from sidewalks and curb cuts in front of their homes and businesses within a twenty-four (24) consecutive hour time period. Clearing sidewalks is very important to maintain safety for pedestrians, and it is the legal responsibility of homeowners, renters and businesses to keep their premises safe and hazard-free. This includes keeping walkways, driveways, parking lots and other common areas free of ice and snow to prevent accidents and injuries.

This winter, the City of Southfield requests that all residents and businesses make a special effort to clear their sidewalks and apply salt in front of their homes or businesses to ensure a safe route for pedestrians. If your neighbor is elderly or physically incapable of removing the snow from their sidewalks, please consider offering to help. Residents and businesses are encouraged to take the Southfield Safe Sidewalks Pledge and commit to do their part to keep our walkways safe and snow free! Good neighbors make great communities!
