**INTERCEPTOR FEE COMPUTATION (NEW / ADDITION)**

**Instructions:** The applicant shall select appropriate building uses from the Oakland County Water Resources Schedule of Unit Assignment Factors. The areas shall be calculated from building construction plans. Each use shall include a calculation of total units which will be summed and multiplied by \$200 to determine the total interceptor fee.

**EXISTING USE INTERCEPTOR CREDIT COMPUTATION (CHANGE OF USE ONLY)**

**Instructions:** Use measurements from the existing premises or historical documentation of prior uses at said premises. Historical documentation is subject to approval by the City. The applicant shall select appropriate building uses from the Oakland County Water Resources Schedule of Unit Assignment Factors. Each use shall include a calculation of total units which will be summed and multiplied by \$200 to determine the total interceptor fee credit. The credit will then be subtracted from the interceptor fee.
