Special Attention: Larceny from Vehicles

How to prevent this from happening to you!

-Citizens should never leave anything of value inside their vehicle. (Especially Handguns, Purses, Wallets, Cash & Cell Phones!)

- If you have a garage you should park your vehicle in the garage and lock the garage.

- Wheel Locks are a deterrent but don't leave the wheel lock key in the interior of your vehicle, especially the center console or glove box. This is the first place they will look for the wheel lock.

-After parking your vehicle turn your wheels all the way to the right or the left. This will make it difficult to get the lug nuts off the front wheels.

-If you don't have a garage, try to park your vehicle as close to your residence as possible.

-If you here any loud noises near where your vehicle is parked, especially during the late night or early morning hours, attempt to look outside without alerting anyone and if someone is tampering with your vehicle immediately call 911, (Do Not Approach or Scare the Suspects Away) give Police Dispatchers as much information about the suspect(s) and suspect vehicles as you can. Stay on the phone with

On 12/19/2021 Southfield Officers were dispatched to the 25000 Block of Northwestern (Hotel) for a fight/possible subject armed.

The front seat passenger was a light skinned B/M wearing a black hoodie and appeared to be trying to avoid speaking with Officers. The driver of the vehicle gave officers consent to search the vehicle. When the subjects exited the vehicle, Officers recovered a handgun from the front seat passenger. He did not have a CPL. He was taken into custody for CCW. As it turned out these were the subjects involved in earlier incident. Special Attention: Crime Prevention Tip's for the Holidays!

With the Holidays upon us citizens should be extra careful when shopping. Citizens should never leave anything of value inside the compartment area of their vehicle. If you must leave valuables in the car be sure to put them in the trunk. If you don't have a trunk then I would recommend you take items home.

Women should be extra careful when carrying a purse. Don't ever carry your purse over your shoulder and don't ever leave your purse in a shopping cart unattended. You are an easy target for someone to take your purse or take your wallet from your purse.

I would recommend that citizens not carry a purse; instead they should carry a wallet or something that can be concealed from thieves.

**HAPPY HOLIDAYS TO
EVERYONE!!!!!!!!!!!!**
