Citizens that use dating App's should always use caution when meeting with someone you don't know for the first time. Citizens meeting with

someone for the first time should meet in a public place where there are lots of people like a coffee shop or restaurant. Get to really know the person before you go to his place or invite them to your place. It's always good to have another couple with you on the first few dates and it's always good to take pictures for identification purposes in the future.
