

Join the City of Southfield and
Hamilton Anderson Associates

City Centre Stakeholder Meeting

We are commencing development of a **Master Site Plan** for the City-owned vacant property at the corner of Evergreen Road and Civic Center Drive to be used to seek developers.

The City of Southfield seeks your insight and comments, as we work with our consultants, to **set priorities** and **create a vision** for this important part of Southfield.

We will include a Project Overview including:

- Recent development
- Market study
- Best practices and visual preference

We will then work together to form a vision for the site that creates a vibrant mixed-use place based upon market reality.

Please contact Terry Croad at 248.796.4150 or tcroad@cityofsouthfield.com with questions

**Tuesday,
March 15, 2016
4:30pm—6:30 pm**

**The Meeting
Room @
The Southfield
Public Library**
