

Notice Regarding YouTube Channels – 46th District Court

The 46th District Court is currently holding court proceedings via Zoom remote access. Our hearings are still accessible to the public. Anyone wishing to view live courtroom proceedings may do so on our YouTube channels. Hearings are live streamed as they are adjudicated, with limited exceptions. Those cases which are exceptions will be posted on YouTube immediately after the proceedings are concluded.

Please note that the YouTube video is not the official court record and therefore the videos will be removed immediately after the live stream or within 24 hours for those videos that are not live but are posted at the conclusion of the hearing. Here is a list of the 46th District Court YouTube Channels:
