

Notice regarding Filing Fees

Please be advised that the Michigan legislature recently passed Electronic Filing Legislation. The legislation requires District Courts to collect, on or after March 1, 2016, an “electronic filing system fee” in addition to the existing filing fees when commencing a civil action in the District Court, regardless of whether the action is filed electronically

The increase in the filing fee is as follows:

- \$10 for civil actions filed in the district court, including summary proceeding actions
- \$20 for civil actions filed in the district court if a claim for money damages is joined with a claim for relief other than money damages
- \$5 for civil actions filed in the small claims division of the district court
