Commercial Burglaries:			
Date/Time	Address (block range)	Method of Entry	Description/Suspect Information
04/19/2017 2:34am	24000 Southfield Rd. (Gas Station)	Front door wall glass was broken out.	Officers were dispatched to an alarm at Gas Station in the 24000 Block of 8 Mile Rd. After arriving on scene Officers immediately noticed that the glass on one side of the front door wall had been smashed out. Officers checked and cleared the inside of the gas station. Nobody was found inside. The owner arrived on scene and wasn't able to determine if anything was taken at this time. A Southfield Police Evidence Technician processed the scene and evidence was collected.
04/19/2017 4:48pm	23000 Greenfield Rd. (Commercial Food/Donuts)	A brick was thrown through the east side entry door glass.	On 4/19/2017 at approximately 4:45am Officers were dispatched to business in the 23000 Block of Greenfield RD. for a B&E. Upon arrival Officers observed the front door glass was broken out and the brick that was used was in the dining area. The manager for business stated that she arrived approximately 4:45am after receiving a call that the store had been broken into. The only thing missing at this time is the drive thru cash register containing an undisclosed amount of cash. It appears that the incident occurred sometime between 2:00am- 4:45am. Note: Southfield Police Detectives conducted follow-up investigation and discovered this is one of two recent B&E's at the same business.

			<p>Detectives reviewed the stores video surveillance from both incidents and discovered that it was the same suspect, wearing the same clothing in both incidents.</p> <p>The surveillance video from this incident shows a B/M suspect, bald thin beard, approximately 6'-0" and an average medium lanky build, wearing a blue denim colored long sleeve button up shirt, tan pants and dark shoes enter the parking lot on foot from the south just after 2:50am. The suspect throws a rock/brick through the east facing glass entry door. The suspect pushes his body through the broken glass door, jumps the main counter and takes the cash drawer from the drive thru area. The suspect then exits out the same broken doorway and walks off to the south out of sight.</p>

<p>04/20/2017 2:25am</p>	<p>23000 Greenfield Rd. (Commercial Food/ Donuts)</p>	<p>A brick was thrown through the glass door on the north side of the business.</p>	<p>Officers were dispatched on report of a possible B&E that had occurred at business. The night delivery driver was dropping off a shipment and observed the glass shattered on the door. Entry was gained by throwing a rock through the two north side doors and shattering the glass. There was damage to the east side glass door from a failed attempt to gain entry. The manager advises one cash register containing an undisclosed amount of cash was taken from the front counter. Security video shows the suspect arrive at 2:03am from the south and attempt to throw a rock through the east side glass door. When that failed, he walked around the back of the building successfully gaining entry through the north side doors. The suspect then entered the business, jumped over the counter, and took the register on the main counter. This is the same suspect from the incident that occurred the day before at this business.</p>
<p>04/21/2017 1:15am</p>	<p>21000 W Eleven Mile Rd. (Commercial Hobby Shop)</p>	<p>Front glass window outer pane only was broken out with a brick. (Attempt Only)</p>	<p>Officers were dispatched at 1:15am to an alarm (front glass break) that occurred at 1:10am at the business. Officer arrived and observed the front glass window shattered. Upon closer inspection, it was discovered only the outer pane of glass was shattered, with the inner pane still intact and un-damaged. A large brick was lying next to the window. Entry wasn't gained.</p>
