Special Attention:

Larceny of Catalytic Converters!

Recently we have seen an increase in Larceny of Catalytic Converters.

The M.O. in most cases, the suspect(s) will park next to the attacked vehicle and the passenger will exit suspect vehicle with a portable cordless electric saw. Suspect will immediately crawl under the attacked vehicle and cut the catalytic converter off the vehicle, get back into suspect vehicle and flee the area. The suspect vehicle in several of the incidents has been a Mini Van (Chrysler Town & Country) with a sliding side door making it easy to get in and out with the catalytic converter.

A recent incident that occurred in the 23000 Block of Greenfield Rd the victim was walking back out to her car and observed a **light brown sedan, occupied by three individuals** parked next to her vehicle. As she approached her vehicle the suspects fled the area. Victim discovered her catalytic converter had been cut off right after this.

Citizens that observe subjects under a vehicle and can hear a power tool should not confront or scare the suspect(s) away. Immediately call 911 and report as much information as possible. Stay on the phone with police dispatch and continue to give updates until the Police arrive on scene.

Officers attempted multiple times to wake the driver by knocking loudly on the windows, shining flashlights at the driver, shaking the vehicle, and giving the male loud verbal commands.

There was no response from the male. A Life Support Unit was summoned to Officers location.

Prior to LSU arriving, the driver's wife came out from one of the apartment buildings and told Officers that the subject in vehicle was her husband.

She opened vehicle for Officers and the subject was awakened. He was highly intoxicated and had difficulty walking and talking.

The subject was transported to the hospital where he later submitted to a blood draw. He was advised that he was under investigation for Possible OWI.

Special Attention: Larceny from Vehicles

How to prevent this from happening to you!

- Citizens should never leave anything of value inside their vehicle. (Especially Handguns, Purses, Wallets, Cash & Cell Phones!)
- If you have a garage you should park your vehicle in the garage and lock the garage.
- Wheel Locks are a deterrent but don't leave the wheel lock key in the interior of your vehicle, especially the center console or glove box. This is the first place they will look for the wheel lock.
- After parking your vehicle turn your wheels all the way to the right or the left. This will make it difficult to get the lug nuts off the front wheels.
- If you don't have a garage, try to park your vehicle as close to your residence as possible.
- If you here any loud noises near where your vehicle is parked, especially during the late night or early morning hours, attempt to look outside without alerting anyone and if someone is tampering with your vehicle immediately call 911, (Do Not Approach or Scare the Suspects Away) give Police Dispatchers as much information about the suspect(s) and suspect vehicles as you can. Stay on the phone with Dispatchers until the Police
