Special Attention: Larceny from Vehicles

How to prevent this from happening to you!

-Citizens should never leave anything of value inside their vehicle. (Especially Handguns, Purses, Wallets, Cash & Cell Phones!)

- If you have a garage you should park your vehicle in the garage and lock the garage.

- Wheel Locks are a deterrent but don't leave the wheel lock key in the interior of your vehicle, especially the center console or glove box. This is the first place they will look for the wheel lock.

- If you don't have a garage, try to park your vehicle as close to your residence as possible.

-If you here any loud noises near where your vehicle is parked, especially during the late night or early morning hours, attempt to look outside without alerting anyone and if someone is tampering with your vehicle immediately call 911, (Do Not Approach or Scare the Suspects Away) give Police Dispatchers as much information about the suspect(s) and suspect vehicles as you can. Stay on the phone with Dispatchers until the Police arrive.

Death Investigation/ Obstruct/ Interfering with Investigation-

1- Arrest

28000 Block of Franklin Rd

(Apartments)

Officers were dispatched to the 28000 Block of Franklin Rd. to assist the Fire Department Life Support Unit with an unresponsive 22 year old male that was receiving CPR from his sister. Upon arrival Officers were directed to the bedroom where deceased was laying on his back on the floor. Paramedics advised that the subject was deceased. When Officers entered the room the deceased's brother was sitting near his side. Officers inquired as to whether the deceased had any known drug addiction or medical history. The deceased brother indicated that his brother had problems with pills.

Officers conducted a cursory search of the room and discovered two pill bottles inside the top drawer of the night stand. The pills were labeled with contents. One of the bottles was empty and the other was approx. 75% empty.

Officers briefly left the room to speak with their Supervisor to brief him on their investigation thus far. When Officers returned to the room the two pill bottles were missing. When confronting the deceased brother about taking the pill bottles he admitted taking them. When the Officers asked for the pill bottles back he pulled them from his pocket and dumped the remaining pills from the one bottle onto the floor and refused to give the bottles to Officers. The subject was then heard saying something about "You're not going to pin this on my brother". The subject then went into a rage and started yelling obscenities, degrading Officers, telling Officers that they were worthless, using vulgar language and challenging them.

After warning subject several times that he would be arrested for interfering with Officers investigation the subject continued to
