## Special Attention: Crime Prevention Tip's for the Holidays!

With the Holidays approaching citizens should be extra careful when shopping. Citizens should never leave anything of value inside the compartment area of their vehicle. If you must leave valuables in the car be sure to put them in the trunk. If you don't have a trunk then I would recommend you take items home.

Women should be extra careful when carrying a purse. Don't ever carry your purse over your shoulder and don't ever leave your purse in a shopping cart unattended. You are an easy target for someone to take your purse or take your wallet from your purse.

I would recommend that citizens not carry a purse; instead they should carry a wallet or something that can be concealed from thieves.
