Avon Ln & W Eight Mile Rd.

Officers stopped suspect vehicle for Improperly License Vehicle. After stopping the vehicle Officers noted that the interior of the vehicle had Blue & Red Lights and there appeared to be a Police Type Radio attached to the center console.

The driver stated that his boss just purchased the vehicle at an auction; the police equipment was in the vehicle when he purchased it.

(Later confirmed)

The driver also stated he knew the license plate was not the correct plate for the vehicle.

The driver was run through lein and it was discovered that his driver's license was suspended.

The driver was arrested for DWLS.

A search of the vehicle incident to the arrest Officers recovered suspected marijuana and a straw with suspected cocaine residue.

A Southfield Police K-9 Unit responded to Officers location and conducted a sweep of suspect vehicle.

K-9 alerted on area's within the interior of the vehicle.

Officers recovered suspected Heroin & Cocaine from the vehicles interior.

A Southfield Police Evidence Technician separately Field Tested the suspected Marijuana, Heroin & Cocaine. All three tested positive for possible presence of Marijuana, Heroin & Cocaine.

Special Attention: Crime Prevention Tip

Best Way To Defend Against Having Your Wheels & Tires Taken From Your Vehicle.

- 1) Wheel Locks work, but you must attempt to locate a spot within your vehicle or trunk to conceal Wheel Lock Key so it would be difficult for suspects to locate the key.
- 2) Citizens that have a garage should park their vehicle(s) in the garage and be sure to lock the garage door(s).
If your garage is cluttered with items then it's time to clean out your garage so you can park your vehicle in the garage.
Another advantage to parking your vehicle(s) in the garage is you won't have to scrape ice or snow from your vehicle when it snows!!
