AOD/ Auto Theft/ MDOP/ Larceny-

2- Arrests

01/28/2016

10:30pm

Officers & Detectives have been conducting an on- going Investigation on two suspects that fled from Officers after committing LFA in our city back in November of 2015.

Officers determined that the two suspects have been committing several LFA's in and outside our city. Two vehicles had been identified that the suspects were using.

On 01/28/2016 Officers & Detectives joined forces with Officers from other jurisdictions (Task Force) to set up surveillance of these two known suspects.

The suspects and their vehicles were located and followed to a Car Dealership in a nearby jurisdiction.

At approx. 10:30pm on 01/28/ 2016 the suspects were observed parking one of their vehicles in the business adjacent to a Car Dealership. Suspects were then observed getting out on foot, jumping the wall and entering the secured lot on the north side of Dealership. Shortly after entering the secured lot, the two suspects were observed breaking into and starting two vehicles.

The suspects were then observed driving the vehicles through the secured lot at a high rate of speed. The vehicles were observed smashing into several other new vehicles that were parked in the lot. It appeared that the suspects did this because the parking lot is gated and they couldn't get out of the lot.

The suspects were then observed exiting the two vehicles, leaving the Dealership lot on foot, jumping back over the wall and getting back in their vehicle.

At this point Southfield Officers and Officers from other jurisdictions surrounded suspects and their vehicle and took the two suspects into custody.

It was later determined that the suspects had attempted to steal two vehicles from the Dealership, stole an Air Compressor and caused excessive damage to several vehicles in the parking lot.

It's believed that these two suspects are responsible for several LFA's of Wheels & Tires in Southfield and other surrounding jurisdictions.
