**Special Attention: Larceny from Vehicles**  
**How to prevent this from happening to you!**

- Citizens should never leave anything of value inside their vehicle. (Especially Handguns, Purses, Wallets, Cash & Cell Phones!)
- If you have a garage you should park your vehicle in the garage and lock the garage.
- Wheel Locks are a deterrent but don't leave the wheel lock key in the interior of your vehicle, especially the center console or glove box. This is the first place they will look for the wheel lock.
- After parking your vehicle turn your wheels all the way to the right or the left. This will make it difficult to get the lug nuts off the front wheels.
- If you don't have a garage, try to park your vehicle as close to your residence as possible.
- If you here any loud noises near where your vehicle is parked, especially during the late night or early morning hours, attempt to look outside without alerting anyone and if someone is tampering with your vehicle immediately call 911, (Do Not Approach or Scare the Suspects Away) give Police Dispatchers as much information about the suspect(s) and suspect vehicles as you can. Stay on the phone with

**Disorderly Conduct- 1- Arrest**

24000 Block of Lahser Rd.

**(High School)**

Southfield Police School Resource Officer was called to assist Faculty and Security with a trespasser who was refusing to leave the school. Officer arrived at the north doors to school and observed trespasser refusing to leave the school and engaging a faculty person as the two went to the ground.

Officer intervened and took the former student into custody for Trespassing. The trespasser later apologized for his behavior and stated he knew he wasn't supposed to be inside the school.

Dispatchers until the Police arrive.

-Lots of lighting around the area(s) that you park your vehicles is also very beneficial. Criminals don't like to work in well lighted areas. They prefer to work in darkness because it's difficult to see them.

### **Special Attention: Larceny of Mail Recently**

We have recently seen several incidents involving mail being taken or tampered with throughout the city.

Most of the incidents involved checks being taken. One incident involved someone putting their rent payment in a mail slot at their apartment complex. In situations at Apartment Complexes, citizens should hand deliver their rent payment to the Apartment Complex Office or Manager.

Citizens that mail checks or anything of value from their residence mailboxes should either hand deliver it to their mail person as they drive up to your mail box or take it directly at the Post Office and mail it there.
