03/08/2019 8:40pm

Telegraph Rd. & W Nine Mile Rd.

Officers were on routine patrol in the 23000 Block of Telegraph Rd. (Hotel) when they observed suspicious occupied vehicle backed into parking space. There were two male occupants one driver and one rear passenger. After observing the vehicle, it immediately left the parking lot, & pulled out onto Telegraph Rd w/o stopping.

Officers attempted to stop the vehicle. As the vehicle was driving through the parking lot, Officers observed the rear passenger making furtive movements, leaning across the seat and he appeared to be reaching toward the floor board. After the vehicle was stopped Officers approached the vehicle & observed rear seat passenger sprawled out and had his legs spread across the rear passenger seat in an unusual manner, even though there was enough space to place his legs directly in front of him.

Because of the furtive movements by this subject Officers had the subject exit the vehicle and he was searched for Officer safety reasons. Officers recovered a crack pipe and two thin metal rods that are typically utilized to stuff crack cocaine down into a crack pipe in one of subject's front pant pockets.

A LEIN check on this subject revealed he had a Felony Warrant for Larceny in a Building. The warrant was confirmed and the subject was taken into custody for the Warrant. The subject was also issued Ordinance Violation for Possession of Narcotics Paraphernalia.

The driver of the vehicle was issued two citations and was released from the scene.
