## Commercial Burglaries:

Date/Time	Address (block range)	Method of Entry	Description/Suspect Information
05/19/2019 2:49am	16000 Northland Dr. (Multi Office Building)	Access Card was used to enter the building. A brick was thrown through the window to drag the ATM out of the building.	R/P stated she was sitting at her security desk that is located on the first floor in the center of the Office Building. R/P stated two B/M's wearing all black entered the building using an access card. Once they were inside the office building they threw a brick through the window breaking out the 4' X 8' glass window on the west side of the building. The two suspects then dragged the ATM Machine out through the window and into a white van. The white van had no windows or logos on it and fled the scene. R/P stated once they first entered she thought they were workers since they had an access card. R/P ran upstairs and called 911 after they broke out window. The suspect vehicle was recovered by DPD after they responded to a vehicle fire in their city. Arson Investigators arrived and discovered the vehicle plate and partially burned vin number. The vehicle was eventually identified via the plate and vin as being a stolen vehicle.  It was a complete burn of the vehicle leaving nothing behind except the remnants of the ATM machine. The Security Person gave a description of 2- Suspects wearing all black clothing. No further information.
