-Citizens should never leave anything of value inside their vehicle. (Especially Handguns, Purses, Wallets, Cash & Cell Phones!)

-If you don't have a garage, try to park your vehicle as close to your residence as possible.

-If you here any loud noises near where your vehicle is parked, especially during the late night or early morning hours, attempt to look outside without alerting anyone and if someone is tampering with your vehicle immediately call 911, (Do Not Approach or Scare the Suspects Away) give Police Dispatchers as much information about the suspect(s) and
